

FOUR DEPUTY RECRUITING OFFICERS FOR PROVINCE

Each Will Have Charge of District and Report to Capt. L. P. D. Tilley.

CAPT. F. F. MAY TO WORK IN ST. JOHN

Four Men Signed Honor Roll Yesterday—General Military Notes—Major Corbett to No. 8 Field Ambulance.

ROLL OF HONOR.

Stanley Clives, Oromocto
Hubert Dibley, Margerville
No. 9 Siege Battery
W. London, St. John
Frank H. Mason, St. John
No. 1 Construction Batt.

Four good men and true made up their minds to serve king and country yesterday and signed the roll of honor at the recruiting room, Prince William street. Two were for No. 9 Siege Battery and two for No. 1 Construction Battalion.

Some time ago it was decided to divide the province into four districts for recruiting purposes and appoint a deputy recruiting officer for each district, to work under the chief recruiting officer, Capt. L. P. D. Tilley. No. 1 is made up of the counties of York, Sunbury, Queens and Charlotte. No. 2, Carleton, Victoria, Madawaska and Restigouche. No. 3, Westmorland, Kent, Northumberland and Gloucester. No. 4, Albert, Kings and St. John city and county. At that time Capt. George P. Ryder was appointed for No. 4, Capt. J. R. Miller for No. 3, and Capt. J. R. Miller for No. 2. Lieut. A. Rice, Edmundston, Lieut. Rice is a son of Sheriff Rice, and is a French-Canadian. He enlisted as a private in the 64th and worked his way up to a commission. On the arrival of the unit in England he was transferred to another unit and went to the front where he was wounded. He returned home a week or so ago. When the 64th was being raised Lieut. Rice recruited nearly one hundred men in two weeks in Madawaska, so it will be seen that he is not new at the recruiting game.

For No. 3, Capt. Arthur E. Barton, Moncton, has received the appointment. Capt. Barton went across with the 1st contingent in Major Anderson's battery, and spent about 14 months on the firing line. He went through Ypres, Festubert, Givenchy, Ginchy and Messines. He was invalided home and arrived about a month ago. For No. 4, Capt. F. F. May has been appointed to fill the vacancy caused by the resignation of Capt. Miller. Capt. May, it will be remembered, was one of those who left here with the

26th Battalion, and shortly after his arrival in the trenches he had the misfortune to be around when a German high explosive shell hit one of the dugouts and was severely injured. He has been home for some time, but is not sufficiently recovered yet to go back to the firing line, and his appointment as recruiting officer will be a popular one. He will take up his duties on August 1.

Headquarters are in need of stenographers and typewriters, and would be glad to have applications from any of these classes. They need not necessarily be able to pass the examination required for overseas service.

One of the N. C. O.'s on the West Side guard will be Sergt. Osborne Kelley, of Nashwaak village. Sergt. Kelley enlisted with the 12th Battalion and was afterward transferred to the Princess Pals. While with them he was wounded and still has some pieces of shrapnel in his hip. He is quite lame but is able to do guard duty.

Lieut. McKay, who enlisted with the 132nd Battalion, but had to leave the unit after they reached Valcartier on account of contracting rheumatism, was a visitor to the city yesterday.

Lieut. P. Elmer McLaughlin, St. George, was in the city yesterday. Lieut. McLaughlin anticipates being attached to one of the units to be formed in New Brunswick.

It is expected that Major Chipman, of the 244th Battalion, to be known as Kitchener's Own, and to be recruited all over Canada, will be in St. John in a few days to recruit for this unit. Word has been received from Major G. G. Corbett that he would accept the command of No. 8 Field Ambulance Depot. Major Corbett is at present in England, but he spent considerable time at the front and his appointment to command No. 8 will be a popular one.

Ottawa, July 28.—Sir Thomas White, minister of finance, has sent a letter of warm appreciation to F. W. Ballie, of Hamilton, Ont., president of the Canadian Cartridge Company, in acknowledgment of its magnificent patriotic action in returning to the British treasury \$750,000 profits on war contracts.

WILL ASK GOVERNMENT FOR A LARGER GRANT FOR PATRIOTIC FUND

Mayor Hayes and Judge Forbes Named as Committee to Meet New Brunswick Government on Matter.

A meeting of the executive of the Patriotic Fund was held yesterday afternoon in the mayor's office, the mayor occupying the chair. Among those present were J. A. Lively, Senator Thorne, T. H. Estabrooke, G. S. Mayes, G. E. Barbour, C. B. Allan, Judge Forbes, R. B. Emerson, M. E. Agar, John Keefe, F. B. Ellis, Frank Flewelling, W. E. Foster with R. E. Armstrong as secretary.

Several suggestions were made as to the methods to be adopted for augmenting the Patriotic Fund. It was finally agreed that a committee should be appointed to interview the local government with the object of obtaining an increased grant from the treasury and that every effort should be made to increase interest in districts covered by local associations. Mayor Hayes and Judge Forbes were nominated a committee to make arrangements for meeting the government and their report will be presented at a later date.

There Has Been No Springtime But There'll Be a Long Summer

THERE have been months of cold and rain and mud, but now there will be months of clear skies and hard roads.

It is the motoring season. It is the vacation season and the touring season. It is the time to buy the new car.

In the Chandler Type 17 you buy a car tested and proven, a car with nearly four years of refinement and development back of it. A car free from experimentation too, a car of which thousands have gone into use on American roads in the past six months.

The Chandler does not introduce mid-season models. Chandler leads, and Type 17 announced January 1st is distinctly the car of the year. There has been no occasion to modify it, no opportunity to improve it, no need to call it by a new name.

Gillette Safety Razor

IN training camps—at "the back of the Front"—even in the first-line trenches, the Gillette is helping thousands of our gallant officers and men to maintain their usual standards of personal cleanliness.

AS they "pal" together at Valcartier, comparing notes and equipment, those who are without cannot help envying those who have Gillette Safety Razors. If there's a lad there whose comfort interests you, send him a Gillette, or a good supply of blades.
