Rededication of St. David's Church

Week-Day Services Largely Attended—Another Fine Address Given by Rev. J. A. Clark, D. D. of Halifax—St. Andrew's Choir Assisted.

A large congregation attended the rededication service at St. David's church last evening. Rev. J. A. MacKeigan welcomed the choir of St. Andrew's church, who conducted the music during the service and announced that the choir of Centenary church would lead in the service on Thursday evening.

During the offertory the choir sang very effectively Shaly's grand anthem "Hark, hark, my Soul."

The Rev. J. A. Clark, D. D., gave a very helpful and hopeful address, taking his text from Ex. 127, 1 and 4. Except the Lord build the house, they labor in vain that build it.

It is in vain for you to rise up early, to sit up late, to eat the bread of sorrows; for so He giveth His beloved sleep.

He pointed out that while many thought that religion was an obstacle to success, true religion was the link-up with the Almighty.

Why worry and be troubled over the problems of life, trust in the Lord who has builded the Universe.

The address was a strong call to adhere to the ten commandments and the laws of God or chaos will follow as shown in the state of Russia today.

The Rev. Dr. Clark's addresses are being followed with increasing interest and will be of lasting benefit to all those who are privileged to hear him.

During the evening, coffee, cake and sandwiches were served, and many interesting and entertaining reminiscences were heard, to the accompaniment of fragrant cigars.

William Stewart Now A Resident

Former Partner in Firm of Sinclair & Stewart, Ltd., Summerside, P. E. I., Will Make His Home in This City.

One of the outstanding figures in the commercial and financial life of Prince Edward Island is now a resident of St. John, in the genial personage of William Stewart, formerly partner in the firm of Sinclair and Stewart, Ltd., Summerside, chairman of the Summerside School Board and chairman of the Board of Trustees of Prince County Hospital.

Before his departure for the Loyalist City, Mr. Stewart was waited upon by a number of the prominent men of Summerside and presented with a gold-headed cane, as a slight mark of esteem and illuminated addresses from the Summerside Board of Trade, the Summerside School Board, the Trustees of Prince County Hospital and Mount Lebanon Lodge, A. F. and A. M.

Speaking editorially, the Summerside Agriculturalist said last Saturday: "In the removal of Mr. William Stewart from Summerside, this town truly loses one of its very best citizens; a man who has aided materially in the upbuilding of the town, and one whose interest in town affairs was at all times, even since he retired from active business life, of that earnest and lively sort that placed Mr. Stewart in that category of 'leading citizen.'"

"With a strong personality, good common sense and a keen business mind, Mr. Stewart has been always one of the foremost leaders in almost by local endeavors launched for the public good, and in him Summerside has had a citizen of the highest and best type, and one that it can ill afford to lose."

"With Mr. Neil Sinclair and other associates, Mr. Stewart built up one of the largest mercantile businesses in the Maritime Provinces—a business with their beautiful modern store on Water street, that is a credit to Summerside, and indeed to the whole province. About three years ago Mr. Stewart retired from this business, and has since been enjoying a quieter life, but possibly, after all, not enjoying it as some might expect, since to him work is the very essence of life."

"The Agriculturalist takes this opportunity of extending to Mr. and Mrs. Stewart, who are to take up their residence in St. John, N. B., the best wishes for many happy years in their new home."

"Until they find suitable residence in the city, Mr. and Mrs. Stewart are the guests of their daughter, Mrs. Philip Nason, Carvell Hall, Waterloo street."

Style of Dress, Dance And Movies

Local Council of Women at Executive Meeting Yesterday Feel That Some Improvement in Modern Styles of Dress and Dance Should be Made.

Many important matters came up for discussion at the executive meeting of the Women's Council held yesterday afternoon in the King's Daughters Guild. Mrs. E. Atherton Smith presided. The filling of several vacancies on the standing committees was talked over and nominations made which will be brought before the general meeting. A vote of thanks to Miss Murphy, who, for so many years was convener of the committee on citizenship, and whose work was of so much value, was unanimously passed.

Mrs. W. F. B. Patterson reported on having the drinking fountain which is now in the city, erected in Union Square. Commissioner Flaher had said he would do all in his power to have the work completed, though it may not be wise to connect the fountain this winter, as the season is so far advanced. The Council's representatives wished to have the fountain inscribed on it that it was erected in 1919. A list of donations for the fountain will be published later.

The Treasurer, Miss Estay, reported a balance of \$12.18 on hand after all bills are paid.

Miss Amelia Haley, the corresponding secretary read a communication from Mrs. Richard Hooper resigning as first vice-president. This resignation was most regretfully received, and Mrs. J. B. Travers was elected to Mrs. Hooper's place until the next annual meeting. On motion Mrs. Hooper was made an honorary member of the executive with power to vote.

A letter was read from Miss Bertha Ruddick regarding the appointment of a woman on the Board of Motion Picture Censors, and this was left for further consideration.

The kind of motion pictures being shown at present were severely criticized and some discussion of vaudeville shows, the modern style of dress and dancing took place, the opinion being strongly expressed that some stand should be taken by the Council on all these matters. Mrs. E. Atherton Smith and Mrs. W. F. Hathaway were appointed to meet with Premier Foster and ask what was to be done regarding the Council's request for the appointment of women on the Board of Censors, and also the appointment of a woman factory inspector.

The Women's Institute sent in a resolution urging the closing down of the Court House, and the president said that while the resolution passed at the last meeting of the Council, she presently stated that in the opinion of those present the Council should be pulled down, the matter should come before each affiliated society and their delegates be instructed as to the desirability of the society on the matter before the Council vote, which could pass any resolution. Each society will receive a notice to this effect. The matter will stand over until then.

It was decided to have the usual Tag Day for the Children's Aid on December 6th. Dr. Mabel Hanington is to be asked to speak on Child Welfare at the next meeting which will be held at the residence of Mrs. W. B. Tennant, Orange street.

The Hostel Committee, Mrs. J. B. Travers and Mrs. H. Lawrence, made their report which was satisfactory to all, and the two ladies were thanked for their work on the budget and the finding of the house. The provincial committee were asked to continue an office and organize a Hostel Association at a meeting to be held later.

The Noble Grand Mistress, Mrs. Helen Nelson, presided and there were more than seventy five members present. Plans for the joint entertainment to be held on December three with all the Oddfellows in the city were discussed. Arrangements for a play which will be part of the evening entertainment are being made and an enjoyable time is anticipated. Jewel Rebekah Lodge will be the hostesses. Mrs. Ritcher has invited the Jewel Rebekah Lodge to be her guests for a social evening next Wednesday night.

Mills, of Advocate Harbor, Cumberland County, N. S. Only immediate friends were present. The young people will reside on Kennedy street.

Parent Units For New Brunswick

Expected 26th Will be Parent Body in New Brunswick for Infantry; 3rd Canadian Regiment for Artillery, and 6th C. M. R. for Cavalry.

No definite information regarding the organization of the provincial militia into a regular peacetime status will be available until the military officials from Ottawa, who were here Tuesday and yesterday, have completed the circuit of Canada and gleaned first hand the necessary information from which appointments will be made and unit strength ascertained.

It is understood, however, that all infantry units in the province, which were formerly the 82nd, 87th, 71st, 73rd and 74th Battalions, will be reformed with the famous Fighting 25th Overseas Battalion as the parent body, and in the same manner, the different artillery units will have the 3rd Regiment of Artillery as their parent body, and the 6th Canadian Mounted Rifles, which served overseas, will be the parent organization for the 8th Princess Louise Hussars and the 8th New Brunswick Dragoons. The Corps which will be under its former system, and it is expected that a provincial machine gun unit will be formed.

All matters which were taken up before the visiting officials by the local officers were of an informal nature than anything else, as no definite action will be taken for some time. Opinions as to how the reorganization should be worked out were obtained from the various authorities and it is expected that many of the suggestions will be acted upon.

The headquarters staff, including Major-General Sir E. W. B. Morrison, Major-General Gwatkin and Brigadier-General McNaughton, left yesterday for Halifax to take up the same matters there. From Halifax they will travel to Charlottetown, and then to Quebec, Kingston, London and the West. Not until all centres have been visited and the matter fully entered into, will any definite steps be taken. It has been decided, however, that any unit which served overseas will have the precedence over the former militia bodies as far as right to honours and seniority is concerned.

DELIVERED MOST FORCEFUL MESSAGE

Rev. Dr. Rees Preached to Another Large Audience in the Carleton City Hall Last Evening.

Preaching from Matthew xxv. 46, Rev. Dr. Rees delivered one of the most forceful messages of the campaign at the Carleton City Hall last night. Asking his hearers where they would spend eternity, the speaker pointed out that it is possible to measure the vastness of eternity, and to number the sands on the shore one by one, but that it is impossible to calculate the numberless years that are embraced by the word eternity. The question of the hereafter is not a sentimental one, but is a live, personal issue, and it is a wise man who will prepare for the inevitable.

Mrs. Rees, in her usual capable manner, conducted the musical programme of the evening. The series of sermons will be continued all this week.

The full amount of the payroll, however, will not be handed over to the men, as there is a deduction of nearly \$3,000 for taxes.
