nov 21 145 GRANVILLE STREET Newfoundland and its Mission

from the pen of the REV. WM. WILSON, formerly resident in this Island Little has hithertherto been known of Newfoundland, and, as a natural consequence, incorrect and very absurd ideas have been formed both of the country and ideas have been formed both of the country and its people. The book before us will assist, we have no doubt, in dissipating this ignorance, and communicating to the public authentic information on various important matters connected with that ancient colony. It is written in a chaste, perspicuous style, without ostentation or flourish of any kind, and ought to occupy a place in the library of any intelligent colonist. Newfoundland is, it appears, the oldest Methodist Mission on the face of the earth. To Wesleyans, therefore, 'Newfoundland and its Missionaries' will doubtless prove peculiarly attractive."—Weekly Bulletin, Charlottetown, P.

The Book is for sale at the Conference Book Colporteurs and Book Agents can be supplied on advantageous terms, on application to Rev. Wm. Wilson, Mill Town, St. Stephen's, N. B.
