HAROLD A. CLARKE Ltd. 1919 --- 1965

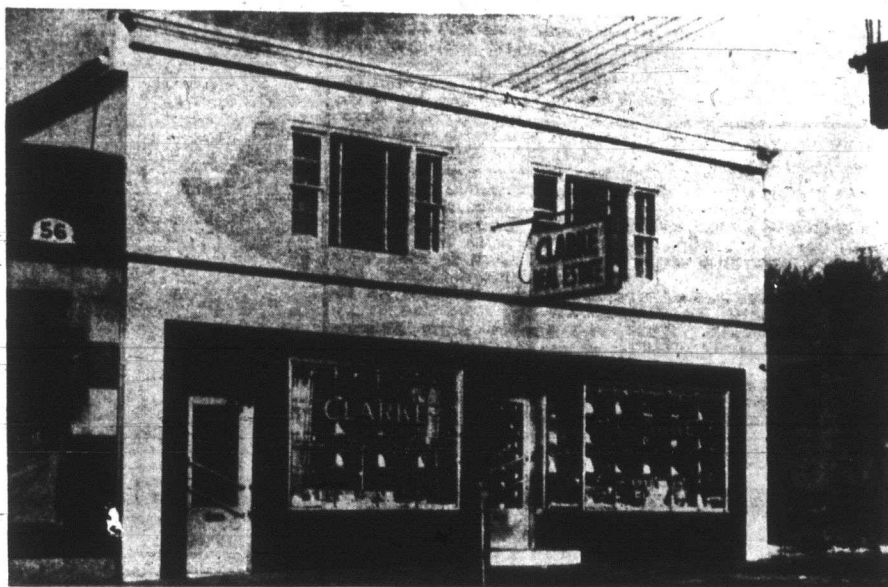

'TOGETHER IN THE MARCH OF PROGRESS'

A NAME YOU CAN TRUST

Back in 1909 when Port Credit first became a police village, this was the building that with some alterations (i.e. top floor removed, painted, etc.) was to become Mr. H.A. Clarke's office. 1919 saw the birth of Harold A. Clarke Real Estate.

Today, after 46 years, the building has changed. Underneath some of the original white pine beams, still remain, giving solid foundation to this ever-growing firm.
