

list of the property should be forwarded by you to the Department.

Mr Savage's office furniture should be removed by you from his office to some store house and there placed in safe keeping; and you should give him a receipt for all such articles, and forward to the Department a copy of the same.

You should post up in the Post Office at Gore Bay and in other public places, including the door of Mr Savage's office, a Notice that any parties having transactions in connection with Indian lands and timber within the said Agency should call upon you, as the Indian Lands Office at Gore Bay has been closed. It would be well also to place a similar notice in the newspapers published
