Ottawa, June 13th, 1913.

Sir,-

I am in receipt of your letter of the 6th instant recommending the purchase of a yoke of oxen and harness for Gilbert Constant of James Smith's Reserve, and in reply I have to request that you will state why provision for the purchase was not made in your estimate, You should include all requirements of this nature in your estimates as otherwise the Department does not provide for them. Kindly report further with regard to this young man, stating whether he is an ex-pupil, and if so you should name the school which he attended.

Your obedient servant,

Asst. Deputy and Secretary.
