

A 11

OPENING OF YOUNG STREET, SURREY.  
August 28th, 1941.

NOTES for remarks at end of road  
to men engaged in construction  
-----

Honour to drive for first time over new  
road;

Plenty of evidence of hard, honest and  
skilled work;

Road will be a credit to the men who have  
made it, and a permanent monument  
to No.2 Road Construction Company  
of the Royal Canadian Engineers;

Congratulations on a fine job well done.
