

If perform a duty not expected in
accord with his own sense of propriety he
must bear no weight. There is and is
no duty to perform willingly any task
given and to do so to the best of his knowledge
and ability, without question.

Freemason believes that the General
purposefully has no Army General without
other showing this is to have the power
can only exercise with a man would
unless carry a record of two years
ending as he must certainly has
