

Political Science

Canadian Journal of Economics and Political Science. 1935 - 1967.
\$275.00 Micromedia.

The standard scholarly journal in the field. Articles in French and English on numerous economic and political topics. A basic title for all university programmes including graduate studies. Ceased publication in 1967 and became two separate titles.

Canadian Journal of Political Science. 1968 - \$12.00 per annum.
Micromedia.

This one of the two journals which supersedes the above.

Canadian Public Administration / Administration Publique du Canada. 1958 - \$11.00 per annum. Micromedia.

This is the journal of The Institute of Public Administration of Canada. Articles are in French and English with abstracts in both languages for each article. Authoritative and well researched, the topics are varied and deal exclusively with Canadian issues.

Canadian Public Policy / Analyse de Politiques. 1975 - \$11.00 per annum. Micromedia.

A scholarly journal whose aim is "to stimulate research and discussion of public policy problems in Canada." Articles in French and English with abstracts in both languages for each article.
