Dear Mr. Gibson:

Upon receipt of your memorandum of July 3, Doctor Falconer forwarded a copy of your letter regarding the inquest requested on the bodies of two Eskimos from Richardson Island, to Doctor Harvey. He told Doctor Harvey that we expected he would be going to Copper Mine with Inspector Martin of the R.C.M. Police.

We have had no further word from Doctor Harvey.

Yours very truly,

P. E. Moore, M.D., D.P.H.
Acting Superintendent Indian Health Services
