

# A New Rural Library

ONLY 50 CENTS PER VOLUME OR LESS

**E**ACH BOOK is written by a high authority and specialist, in both practical and scientific, reliable, helpful, indispensable. There is a convincing and practical tone about each of these handy books which at once assures the reader that he may safely follow the instructions given and expect to get profitable results.

Each volume is beautifully printed in large new type on nice paper, copiously illustrated, handsomely bound in cloth and boards, 5x8 inches in size, with 100 to 100 pages. Each volume sent postpaid for 50 cents or less, if so quoted.

### Cabbage, Cauliflower and Allied Vegetables, from Seed to Harvest.

By C. L. Allen. A practical treatise on the various types and varieties of cabbage, cauliflower, broccoli, Brussels sprouts, kale, collards and Kohlrabi. An explanation is given of the requirements, conditions, cultivation and general management pertaining to the entire cabbage group. After this each class is treated separately and in detail. The chapter on seed raising is probably the most authoritative treatise on this subject ever published. Insects and fungi attacking this class of vegetables are given due attention. 50 cents.

### The New Rhubarb Culture.

A complete guide to dark forcing and field culture. Part I—By J. E. Morse, the well-known Michigan trucker and originator of the now famous and extremely profitable new methods of dark forcing and field culture. Part II—Other methods practiced by the most experienced market gardeners, greenhouse men and experimenters in all parts of America. Compiled by G. B. Fiske. 50 cents.

### Landscape Gardening.

By F. A. Waugh, professor of horticulture, university of Vermont. A treatise on the general principles governing outdoor art, with sundry suggestions for their application in the commoner problems of executing. Every particular is short, terse and to the point, giving perfect clearness to the descriptions at all points. In spite of the natural difficulty of presenting abstract principles, the whole matter is made entirely plain even to the inexperienced reader. 50 cents.

### Hemp.

By S. S. Home. A practical treatise on the culture of hemp for seed and fiber, with a sketch of the history and nature of the hemp plant. The various chapters are devoted to the soil and climate adapted to the culture of hemp for seed and for fiber, irrigating, harvesting, retting and machinery for handling hemp. 50 cents.

### Alfalfa.

By F. D. Coburn, secretary Kansas state board of agriculture. Its growth, uses and feeding value. The fact that alfalfa thrives in almost any soil, that without exceeding it goes on yielding 2, 3, 4 and sometimes 5 cuttings annually for 5, 10 or perhaps 12 years, and that either green or cured is one of the most nutritious forage plants known, makes reliable information upon its production and uses of unusual interest. Such information is given in this volume for every part of America, by the highest authority. 50 cents.

### Ginseng, Its Cultivation, Harvesting, Marketing and Market Value.

By Maurice G. Kaine. How to begin with either seed or roots, soil, climate and location, preparation, planting and maintenance of the beds, artificial propagation, manures, enemies, selection for market and for improvement, preparation for sale, and the profits that may be expected. 35 cents.

### Hedges, Windbreaks, Shelters and Live Fences.

By E. P. Powell. A treatise on the planting, growth and management of hedge plants for country and suburban homes. It gives accurate directions concerning hedges; how to plant and how to treat them, and especially concerning windbreaks and shelters. It includes the whole art of making a delightful home, giving directions for hedges and balconies for bird culture and for human comfort. 50 cents.

### Home Pork Making.

The art of raising and curing pork on the farm. By A. W. Fulton. A complete guide for the farmer, the country butcher and the suburban dweller, in all that pertains to hog slaughtering, curing, preserving and storing pork. Product, from scaling out to kitchen, table and dining room. 50 cents.

## THE BEST BUTTER

Can only be secured by close attention to every detail. Much of the paper sold as vegetable parchment for wrappers is only imitation, and quite liable to impart a bad flavor to butter. We import large quantities of the genuine article direct from Germany. We supply it plain or printed. Write for samples and prices.
