City of Winnipeg

PROPOSALS FOR SUPPLY OF ELECTRIC POWER AND WATER POWER LOCATIONS

The City of Winnipeg invites proposals for the supply of Electric Power upon certain conditions, a copy of which may be obtained upon application at this office, and also proposals from parties who own Water Powers for the sale to the City of such Water Power.

The proposals shall be addressed to Aid. J.W. Cockburn, Chairman of the Special Power Committee, and will be received at the office of the undersigned up to 12 o'clock noon on Monday, June 12, 1905.

ELECTRIC POWER.

The maximum quantity of power to be used at any time will be 1,500 horse power.

The power is to be delivered to the City at a point to be agreed upon, east of Main Street, and will be paid for by the City monthly, the quantity used will be determined by Watt Meters placed on the City's incoming switchboard. Any party or company tendering for the right or franchise in the City under the conditions herein referred to shall submit with such tender a deposit in cash or marked cheque of \$5,000. In case of acceptance of such tender the contractor shall deposit an additional \$20,000 within thirty days; said two sums to be retained by the City as security for the completion of the company's works to develop the Water Power and for the works and plant necessary for the transmission of same to the City.

WATER POWER LOCATIONS.

In addition to the above the City will receive proposals from parties who own Water Powers for the sale to the City of such Water Power, such proposals to be accompanied by plans showing the location of such Water Powers and any works of development which may be done upon them.

The City reserves the right to reject any or all tenders or to accept any bid which appears advantageous to the City of Winnipeg.

C. J. BROWN,
City Clerk
City Clerk's Office,
