GOSSIP.

Messrs. Rawdon & McDonald, Exeter, Ont., have recently imported twelve Clydesdale and Shire stallions of much merit. They are stabled at Exeter, Ont., where they can be seen and purchased if desired.

Geo. C. Cary, of St. Johnsbury, Vt., has shipped 16 Shorthorn cattle, recently purchased by him from W. D. Platt, Hamilton, Ont., to Fort Fairfield, Maine. They will be sold to the Fort Fairfield farmers, Sept. 22nd.

E. S. Hopkins, of the firm of Hopkins Brothers, bought three Shorthorn bulls, recently purchased by him from W. D. Platt, Hamilton, Ont., to Fort Fairfield, Maine. They will be sold to the Fort Fairfield farmers, Sept. 22nd.

Mr. A. W. Smith, Maple Lodge, Ont., writes: "We are offering a grand lot of ram lambs for sale, and a few choice shearing rams. Among them are some splendidly-bred imported rams. And we have another importation coming in November. Our last year's shearing ram, Stanley, to which we will breed the largest portion of our ewes this season, is one of the very best Leicesters I have seen. A full sister won the Prince of Wales' gold medal, 1899, at the Highland Society Show, Scotland, as best Leicester, either sex, and a full sister, a year younger, won the same prize in 1900 at the Highland Society Show, Scotland. Stanley was himself first-prize lamb at Royal Northern, Aberdeen, 1899. "Our young bulls this year are a splendid lot."

CLYDESDALES FOR CANADA.

Mr. Thomas Dickson, Seaford, Ont., sails this week with three big, weighty horses for Canada. These include a two-year-old named Lord Huron, and purchased from Mr. Walter S. Park, Huron, Mich. He was got by Young Gallant (1894), and bred by the Messrs. Clark, Sunderland, Islay, out of Queen of Sunderland, a good mare by Garnet (3622), grandam by Young Ivanhoe. Mr. Alexander M. Simpson, Whitecross, East Kilbride, contributes one to the lot in the three-year-old Joe Anderson. This is a very strong, powerful horse, full of substance, and with grand fore feet and legs. He is by the Glasgow Pearl, and is like proving a very suitable sire of commercial geldings. The other member of his lot is Flashwood's Last, which was bred and purchased from Mr. Macmillan, Bent, Strathaven. His sire was the well-known Flashwood, and he is a big, well-colored horse out of a Prince of Wales mare. Another horse has been purchased for exportation to Canada by Mr. Charles Mason, Brucefield, Ont., who in years gone by used to ship more extensively, and who hopes to secure some more horses before leaving the Old Country, but has considerable difficulty in finding them big. His selection is The Leading Article (10139), which was bred by Mr. Wm. Hunter, Garthland Mains, Stranraer. He was bought from Mr. Robt. Gardiner, Henhill, Forteviot, and is a half-brother to the champion horse Hiawatha, being got by Prince Robert. His dam, Earnock Queen, was a high-priced mare by Darnley, and he is a thick, blacky horse, with good feet and legs, and has been a first-class breeding horse in Strathaven. He should prove a good breeder in Canada. *Scottish Farmer.*

PURE-BRED STOCK FOR NEWFOUNDLAND.

Mr. J. B. Slater, secretary of the St. John's, Newfoundland, Board of Agriculture, attended the leading exhibitions in Ontario last month and made judicious selections for the Association of typical young bulls of the principal dairy breeds on exhibition. From the old and reliable Jersey herd of B. H. Bull & Son, Brampton, Ont., he secured the grand yearling bull, Golden Lad of Brampton, winner of first prize at the Western Fair at London, and first at the Central Canada Exhibition at Ottawa. He is a son of the imported bull, Monarch of Brampton, bred on the Island of Jersey, winner of the championship as best Jersey bull, any age, at Toronto Exhibition in 1898, his dam being at the same time the championship female. From the many strong herds of Ayrshires represented at the fairs, Mr. Slater selected a grand yearling bull, named Jack of Springhill, from the herd of Mr. Robert Hunter, manager of the farm and herd of Mr. W. W. Ogilvie at Lachine Rapids, Quebec. He is a son of Shining Star, bred by that reliable breeder and excellent judge, Mr. Dan Drummond, and is from the superior dairy cow, Eva of Glenhurst. He is a typical bull of the breed in form, style and character. From the Glen Bull herd of C. J. Gilroy & Son was selected Gillflower's Paul de Kol, the first-prize yearling Holstein bull at Toronto, and second at the Ottawa Exhibition this year, and in 1899 as under a year. He is a son of Gen. Pieterje Hengerveld de Kol and Gillflower, a dairy cow of exceptional quality and capacity, and is himself a model of the breed. Mr. Slater showed good judgment in making his selections, and has secured high-class representative animals of the different breeds, which cannot fail to make their mark in the improvement of the stock where they are used.
