OTTAWA, ONT , Marot . 1880. The writer has been selling Perry Davis' Pain-Killer now for the last 27 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrison, Sore Throat, Chemic Coughs, Bronchitis, Burns, Scalds, &c. Have known it to one a case of Syphilitic Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle. H. F. MACCARTHY.

MADOC, ONT., February 16, 1880 It gives me much pleasure to state that during a drug career of more than a quarter century, I can testify that your justly celebrated Pain-Killer has not only held its own as a family medicine, but still occupies the front rank wherever duty calls it. My customers speak very highly of it, and I could send no end of testimonials showing up as merits and intrinsic worth, were it necessary, which it is not. It should, however, be called "Excelsion Passi-Killer." I pride myself in never being out of it. Yours very respectfully, JOHN G. DEANS,
