## NEW EDITION NOW READY An Epoch-Making Book

## Letters To His Holiness Pope Pius X.

By a Modernist

Price, cloth, \$1 25; pp. 320, including an additional preface giving a summary of the chief enactments of Pope Pius X. during the past eighteen months, and a list of well-known Roman Catholic priests and teachers who have left the Roman Church rather than take the "Anti-Modernist" oath. This book has been translated into Italian, Spanish and German; and leading periodicals in Europe, Asia and United States have written letters of congratulation to both the author and the publishers approving this splendid protest against the Curia's attempt to shackle DEMOCRACY, FREEDOM OF INTELLECT, AND FREEDOM OF CONSCIENCE.

To-day a multitude in and out of the Roman Catholic Church are torn with the conflict between inbred faith in old doctrines and the new revelations of relentless Truth. Little is said of the struggle, for it is an experience essentially solitary, about which men are most sensitive and reticent.

"In the eighteen months since the first publication of these Letters, Pius X. has abundantly justified—though the measure was already full—the complaints and remonstrances which they express. The basis of these complaints and remonstrances is that set of ideas and ideals in the name of which every reformer of modern times has spoken his protest to the Vatican—Democracy, Freedom of Intellect and Freedom of Conscience.

"Throughout the year and a half just closed, the Papacy's attitude to these foundations of civilization has been of a hostility so undisguised, a violence so bitter, and a contempt so scornful as to cause havoc and consternation within the Church itself, and anxiety and outcry among the governments of free states in Europe. Indeed, were we to judge Roman Catholicism by the public enactments of its rulers it would be difficult not to regard it either as the most decayed of all anachronisms or as the most dangerous of all survivals from a past that we would fain think dead and buried."—Preface to the Second Edition of "Letters to His Holiness."
