Lump Jaw

The first remedy to cure Lump Jaw was Fleming's Lump Jaw Cure and it remains today the standard treatment, with years of success back of it, known to be a cure and guaranteed to cure. Don't experiment with substitutes or imitations. Use it, no matter how old or bad the case or what else you may have tried—your money back if Fleming's Lump Jaw Cure ever fails. Our fair plan of selling, together with exhaustive information on Lump Jaw and its treatment, is given in Fleming's Vest-Pocket Veterinary Adviser. Most complete veterinary book ever printed to be given away. Durable, bound, indexed and illustrated. Write us for a free copy.

"Do you know, mamma," said Young Hopeful, "there were only three boys in the school today who could answer one question that the teacher asked us."
"And I hope my boy was one of the three?" said the proud mother, who knew quite well, if he hadn't been, Young Hopeful would never have mentioned the incident.
"You bet I was," answered Young Hopeful. "And Sam Slinger and Harry Stone were the other two."
"I am very glad you proved yourself so good a scholar, sonnie; it makes your mother proud of you. And what was the question the teacher asked?"
"Who broke that glass in the back window?"

Troubled With Backache For Years.

Backache is the first sign of kidney trouble and should never be neglected. Sooner or later the kidneys will become affected and years of suffering follow.
Mrs. W. C. Doerr, 13 Brighton St., London, Ont., writes:—"It is with pleasure that I thank you for the good your Doan's Kidney Pills have done me. Have been troubled with backache for years, and nothing helped me until a friend brought me a box of Doan's Kidney Pills. I began to take them and took four boxes. I am glad to say that I am entirely cured, can do all my own work and feel as good as I did before taken sick. I am positive Doan's Kidney Pills are all you claim them to be, and I advise all kidney sufferers to give them a fair trial. You may use my name if you wish."
Doan's Kidney Pills are 50 cents per box or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by the T. Millburn Co., Limited, Toronto, Ont.
When ordering specify "Doan's."

sult that those interested are enabled to appreciate the true economic position of the farmer, and the farmer himself is better able to understand his relation to society. Data now published indicates that when all items of cost, including wages to the farmer, are taken into consideration, the profits from the average crop are practically nothing. The general impression that the farmer's cost of growing a product is very little is being dispelled, for it is slowly being recognized that when all items of cost are taken into account, labor of men and horses, the various cash expenses, interest and depreciation upon machinery and interest upon capital invested, that the expense is surprisingly high. Even the present high prices of farm products allow only a fair margin between cost of production and selling price. The average crop sold at the average price the past ten years has often resulted in a loss to the farmer.

Taking wheat as an example, the cost of production an acre in southern Minnesota was \$9.86. An average crop of 15 bushels an acre was raised on these farms; thus the cost of a bushel on the farm was 66 cents. The cost of marketing the product and an averaging of the general expense would make an added 5 cents a bushel, giving a total cost of 71 cents a bushel. The average Dec. 1 farm price of wheat was 74.2 cents a bushel. A similar computation for the oat crop gives a margin of less than 3 cents a bushel. This margin in either case does not equal the 10 per cent. profit that is so generally added to cost by men engaged in other lines of business.

COAST IMPORTATIONS
Dr. Roberts, Vancouver, B. C., has purchased a number of Clydesdales and Hackneys recently in Scotland and England, of which the Scottish Farmer, in a recent number, says: "Six Clydesdale fillies and one tallion were purchased from Messrs. A. & W. Montgomery, Netherhall and banks; from Mr. J. Ernest Kerr, of Harviestoun, Dollar, seven ponies and three Hackneys; from Mr. Irving, London, he had three Hackney mares, one riding mare and a pony; and one Hackney from Mr. Scott, Carlisle. The Clydesdale colt was a two-year-old, bred at Harviestoun, and got by the champion sire Baron's Pride, out of a mare by the champion prize horse Hiawatha (10067). In this colt there is the promise of a successful show horse. One four-year-old mare was got by the Kirkcudbright prize horse, Majestic (11421), out of a mare by Baron's Pride (9122), and the five three-year-old fillies were equally well bred. One was by Baron St. Clair (11609), while the dam was by the Highland and Agricultural Society first-prize horse, Moncreiffe Marquis (9953); another was by Montrave Ronald (11121), the sire of the champion mare Veronique; and a third was by the premium horse Baron's Voucher (12041), out of a mare by Sir Everard (5353), the sire of the best breeding stallions of the present day, including Baron's Pride, Sir Hugo, and others. This filly was second at Fraserburgh. The other two three-year-old mares are got respectively by Royal Edward (11495) and Talbot (12386). The Royal Edward filly was first at Dumfries, and the Talbot filly was first and champion at Aberchirder 1st year. The Hackney bought from Mr. Robert Scott, Thornhome, was a three-year-old filly by Mathias, and out of the dam of Billington Majestic, junior champion at London. Of the Harviestoun lot two of the Hackneys were mares got by Mathias, one being out of a Goldfinger dam, and the other out of a Rufus mare. The third was a colt by Garton Duke, out of the same dam as Moncreiffe Vengeance, the New York champion stallion. Among the seven ponies was Firefly; was first at Edinburgh Show. There were also two four-year-old mares by Lord Bang and two three-year-old fillies. One of them was out of Hollin Flora. Dr. F.G.H.'s noted show pony, and another was Harviestoun Peggy, by the champion Sir Archie. A two-

The "NEVER FAIL" Oil and Gasoline Cans GALVANIZED IRON

3 and 5 Gal. Imperial Measure

ADVANTAGES OF THE "NEVER-FAIL" CAN

You have no oil valves or pump to get out of order, no faucet to leak and drip. You do not have that disagreeable odor of oil and gasoline in your rooms when using this Can.
You need not be afraid of an explosion if you use the "Never Fail" Can.
You do not have oil all over your hands, lamp and floor, when using a "Never Fail."
Your oil and gasoline bills will be one-third less when using one of these cans, as they are air-tight, allowing no evaporation.
It is the only Can wherein gasoline may be kept with any degree of safety.
Ask your dealer for a "Never Fail." Take it home and use it, give it a fair trial; then, if not satisfied, take it back and demand your money. Can you ask any more than this? Will you not give it a trial on these terms?
Will draw over a gallon a minute.
Will take all the oil out of the can.
Will run the oil from lamp back into Can.
Your money back if not satisfied.
If your dealer can't supply you, write us.

Scotch Shorthorns and Berkshire Pigs

Breeder of Shorthorn cattle of choice merit. The herd is headed by the imported bull, Baron's Voucher. The females are richly bred, being direct descendants of imported stock. A number of winning Berkshire pigs off prize winning stock for sale.
C. F. LYALL STROME, ALTA.
Glenalmond Stock Farm

Golden West Stock Farm

ADMIRAL CHESTERFIELD
P. M. Bredt & Sons
EDENWOLD Via Balgonie, SASKATCHEWAN

After having used Admiral Chesterfield for 4 years at the head of our herd, we now offer him for sale. He is 6 years of age, true and vigorous, and a stock getter that has proved himself. His stock this year made the highest price at the Regina Bull Sale and a bull of his get won Grand-Championship at Regina.
Our females are now in good condition and a few are for sale.
