KOOTENAY FRUIT LANDS

I am developing an excellent tract of Fruit Land. I need some help and make this offer:

I will sell 10 acres at \$100 per acre. I will accept \$250 cash and allow purchaser to pay for balance by working on my land, for which I will allow him \$3.00 for every ten hour day he works, said payments to apply on reduction of payments on land.

Purchaser must give me at least half of his time. He may devote other half improving his own land, or may give whole time on my land and thus get his own more quickly paid for.

This is an excellent chance for the man of little means, who cannot see how he is going to meet his future payments on land purchased on terms.

This offer is limited to a small number—prompt action is necessary to secure this chance.

Correspondence invited.
