VERRET, STEWART & CO.
LIMITED
MONTREAL

To Our Grocer Friends:

The average housewife is becoming more fastidious each day in her ideas of what sanitary precautions should be adopted in handling a food product. Undoubtedly, you have already realized this.

Have you ever considered this regarding Mince Meat.

Why not handle a dust-proof-sanitary-wrapped package like **Wethey's Condensed Mince Meat?**

All jobbers. 3 doz. to a case.
