# Why Farmers Fail

Nine-tenths of the farmers who fail, lose money on DISTRIBUTION — SELLING — MARKETING. And that's the very fact The Guide is driving at. The Guide occupies a unique position in the field of Agricultural publications. Farmers, clergymen and teachers have helped to place The Guide in the proud place it holds today.

But we want a large number of good men to help us in our fight for the right. Men who are enthusiastic and who believe in us. We are willing to pay liberally for the services of such men. Write today for particulars and let us tell you how you can earn the extra money you need.
