**Dr. H. HALSTED'S
FOREST PILLS.**
(A domestical preparation of medical pills.)
These Pills are prepared from most powerful, highest medicinal virtues. They are aromatic, and will sustain any Memory or Mental weakness. Their purge, astringent, purgative, & diuretic, may free us from all the diseases of the body, & of the mind. The pills have no taste of medicine, and are five times more effective in the cure of disease than any Pill in existence. A short time has elapsed since these great and useful Pills were first made known to the public, and friends have already recommended them to their Physicians and Surgeons, who have found, and are restoring health from their use.

TO FATHERS OF FAMILIES.

Bills and costs of the numerous diseases, sicknesses and deaths in families will often exceed the sum of those ever spent in the family. In the latter part of September, we have the stomachs everywhere, taken from miasms, arising from stagnant pools and decaying vegetation, while families are taken away by Malaria, Yellow Fever, & other diseases, and other dangerous maladies, of commanding terror, & a clear state of the stomach. No parent ought to be ignorant as to the great danger existing from influences, or parental world be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children die daily every day, through the want of proper attention to the care of their feet and stomachs.

Symptoms of life may always be known by the pulse, respiration, & motion.

In the mouth, hoarseness, & other like symptoms of the skin, languor, & debility, & other symptoms of a similar nature.

Also, every person at this season of the year, is liable, the neglect of which is to bring on some dangerous disorder, frequently death.

A single dose of Dr. H. Halsted's Pills will be sufficient to keep a whole family free from bilious attacks and sickness for a year. A single dose, from 4 to 6 for an adult, and from 2 to 4 for a child, will carry off all bilious attacks, and restore the stomach, purging, curing and preventing all sorts of bilious attacks and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Castor Oil.

These, as well as all other salts, are active and the stomach in bad condition as before.

Dr. H. Halsted's Pills act on the gall stone, and carry all mucus, bilious matter from the system, and bowls, leaving the system clean, healthy, and clear.

Dr. H. Halsted's Pills are unlike all others.

They act directly on these vital organs of the stomach, kidneys, etc., which control the blood, and separate the impurities from the waste products.

While they purge, astringe, and mortify the waste products, they do not irritate, nor mortify the blood.

They not only cause griping and diarrhoea, whatever, but will enable a child to stand to take them. They are mild in operation, yet powerful in restoring health.

The greatest amount of good these Pills have done for the sick and disabled, is rendered thousands to their friends and the public. In

virtue of their great effects in various diseases throughout the world in every part of their country have testified to the efficacy of these great effects in various diseases throughout the world in every part of their country have testified to the

testimony of their own children, & their parents.

Testimony after testimony, that Dr. H. Halsted's Pills are the best.
