Mrs. Gosling, Mrs. Monroe, Mrs. G. Knowling, Jr., Miss S. Johnson, Dr. Macpherson, B. E. S. Dunnell.

Touching reference was made to the death of Rev. Dr. Rogers and His Grace Archbishop Howley, both of whom were leading members of the Society.

Reference was made to Capt. Carty, now with the First Contingent at Fort George.

It was decided that an expression of appreciation of his valuable services together with the best wishes of the Society, be forwarded Capt. Carty.

The Secretary also referred to the excellent work of Mr. Dunfield, who was obliged to resign the Secretaryship last October, owing to business.

A hearty vote of thanks was passed him.

Other votes of thanks were also passed to Mr. Sheard and management of the Institute for the use of their rooms; Inspector Genl. Sullivan and the police for assistance in carrying out the work of the Society, Justice Johnson who conducted the election, and the Press for references from time to time.

Before the close of the meeting it was pointed out that caution and counsel, not prosecution, are the weapons employed by the Association in carrying out their objects, and all owners or lovers of animals are asked to co-operate with them.

ST. BON'S WIN HOCKEY MATCH

Beat the Vics, in a Spirited and Well-Contested Game by 4 Goals to 3

The Vics and St. Bon's were the contestants in the hockey match last evening and after a spirited and well-contested game the college boys came off victorious by 4 goals to 3.

The Bon's were in excellent trim, and throughout had the better of the game.

Towards the close the Vics put on a spurt but were unable to catch the score of their opponents. They were minus three of their regular players, Clouston, Munn and Sinnott.

Higgins of St. Bon's played a splendid game and the victory was largely due to his efforts.

Mr. Gus. Herder refereed satisfactorily.

Messrs. Carmichael and Ellis were timers.

The line-up was: St. Bon's—Power, goal; Crawford, point; Higgins, cover; Callahan, rover; McKay, left; Barnes, centre; and Quinn right.

Victorias—Hunt, goal; Ford, point; Long, cover; Finlay, rover; King, left; Lilly, centre; Reid, right.

First Half—1 King (V) 10 mins; 2 McKay (S.B.) 15 mins.

ROUTINE MATTERS OCCUPY ATTENTION OF COMMISSIONERS

Complaints Are Aired; Plans Approved; Applications Received and Financial Matters Discussed

The Weekly Meeting of the City Commissioners took place last evening Chairman Gosling presided and the following Commissioners were present:

Hon. J. Harris, C. P. Ayre, F. McNamara, F. Bradshaw, E. M. Jackman, J. McGrath, Hon. J. Anderson, J. W. Withers.

The Commercial Cable Co. asked if they were liable for a Municipal tax, other than that on their building if they transferred their office to within the city limits.

This caused considerable discussion. The solicitor will report.

G. M. Barr wrote that his store in Rogerson's Cove had been flooded by a defective sewer.

The Engineer reported on the matter to the contrary, saying the flooding was caused by high tides.

Mr. Barr will be forwarded a copy of the Engineer's report.

W. F. Butler submitted plans of proposed new suite of offices for T. & M. Winter.

Approved with the proviso that the Municipal regulations must be strictly adhered to.

John Flynn, waterman, asked that his salary be increased. It was reduced in 1895, following the bank crash, and though numerous applications had been made to have his salary placed at the old vote the Council did nothing.

A Committee will report.

R. Reid can continue the construction of a dwelling in Battery Town, he assuming all risks, and becoming subject to any regulations the Council may in future adopt.

The Health Officer reported it was undesirable to permit Edwin Murray to erect stables off James and Lime Streets.

The applicant will be so informed.

The Engineer reported a low pressure of water during the last week, owing to people allowing the water to run at nights.

The Board will take up the matter with the purpose of improving existing conditions.

It was decided that in future applications forwarded the Board during the week, would be referred to the departments concerned, and reports submitted with the applications at the regular meeting.

The Health Officer reported five cases of diphtheria during the week.

Inspector Bambrick reported that the cost of stone breaking by hand, during the week, figured at \$1.85 a ton, against 40c. by machinery, plus the cost of power, and wear and tear of apparatus.

Breaking by hand had been tried as an experiment to give labor, but in view of the high cost it was ordered to be discontinued in the meantime.

Commission McNamara for the Office Committee, reported they had gone into the claims of Messrs. Mahoney and Hynes for extra services rendered, and recommended the amounts asked for at last meeting.

The report was adopted.

Requisitions from the Park Super-visors, pay rolls, etc. were passed, and the meeting adjourned at 9.40.

CHARGED MEN GOT TICKETS ILLEGALLY

Said to Have Got Railway Tickets to the City on a Pretense of Joining the Volunteers

Last evening Const. Tobin arrested two young men, W. O'Brien, Brazil's Field and S. Cooper, of Plank Road, who are charged with obtaining a railway ticket, valued at \$5.10, from Magistrate Bradley, at Lewisporte.

The men who had been working in the lumber woods went to the Magistrate and asked him to supply railway tickets for St. John's as they intended to join the Volunteers.

They were furnished with tickets and came along but did not volunteer.

Both pleaded not guilty and assert they intended volunteering.

Cooper's excuse is that two of his toes were frostbitten and he was waiting for them to get better, and O'Brien says he was waiting for his chum so that the two of them could volunteer together.

Strange to say fictitious names were given to the Magistrate and one said he belonged to Brigus and the other Placentia. They were remanded until this afternoon.

Headed The List Of The Patriotic City Boxholders

Miss McLean, of the Crosbie Hotel Gets The Fine Sum of Sixty-Seven Dollars

In the list of box-holders for the Relief of the wounded and soldiers at the front arranged by the W.P.A., published yesterday, it was seen that box No. 109 contained the handsome sum of \$67.09. The amount was so much larger than the others that there were naturally enquiries as to the holder of it.

We learn that this box was at the Crosbie Hotel and its amount is not surprising for Miss McLean, who had charge of it worked assiduously not only to fill the box but to swell the funds as much as possible.

It speaks volumes for her and also the guests at the hotel who no doubt have had many calls on their pockets during the last few months.

This splendid amount shows what may be done, and it will be an incentive for other ladies to assist this laudable work in every way.

Mr. John Weir, of the Halifax School for the Blind, who is visiting the City will speak at St. Mary's Church, Southside, to-morrow evening.
