Peterboro Had the Luck.
LONDON, Aug. 6.—Luck was with the men of Peterboro yesterday afternoon and London lost by a 3 to 2. The most striking piece of fortune came their way in the last innings, when Linnebori committed for a hit that should have won the game. The ball took an unlooked for bound and

FOOTBALLERS AT BUSINESS

Executive Committee Disposes of Regular Business—Paris to Get Meeting.

The business of the Brantford and Paris Football league which met last night in the Y. M. C. A. was of a purely formal character. Nothing much out of the ordinary transpired. It was decided that Paris would be honored as usual with an Executive meeting in their town and that the visit will come off in the near future.

All is in readiness for the Prater-Duffin Day game between two picked teams on Wednesday morning. By kind permission of the Brantford Club, the members of the All Star team will dress in their rooms on Dalhousie Street. The outfit, including balls and jerseys will be supplied by the Duffs and the Tigers, as both clubs have good looking colors with a striking contrast. Bitty Blues, of the Duffs, has been appointed trainer for the game and he will see to it that both teams enter the arena in a pretty fit condition.

J. Morrow, S.O.E., S. Stone, Tutela, A. Palmer, C. Tutela P. S. A.; C. Williams, S. J. Jones. Duffs were the players eligible to play from Saturday next.

Two releases were made, Maycock from Cockshtuts and D. McInlon from from Cockshtuts and D. McInlon from from Wanderers.

J. Taylor, of the Scots had been reported for striking a referee on Saturday last and he was last night suspended sine die.

Holmedale protested against a result in their game with the Duffs, which they lost and their protest was thrown down as the referee explained everything very satisfactorily and it appeared that the Tigers had no reason to complain.

The Duffs appeared against the award given by the Protest Committee in their protested game, versus the S. O. E. and the Executive held that the ruling of the Protest Committee must be upheld.

One of two of the spectators of the games prefigently offend the players at the conclusion of games and the chief will see that they are warned as to their actions.

The games on Saturday and the referees appointed are as follows: Tutela v. Duffs—Elliott. Scots v. Paris—Groarty. Holmedale v. P. S. A.—C. Smith. Cockshtut v. S. O. E.

The Executive then adjourned for two weeks, it not been deemed advisable to postpone the meeting over the Old Home Week.

CIRCUIT CLIPPINGS

While Team is in Brantford While Connie Mack's Athletics are playing in Brantford on Tuesday, he will be an interested spectator at the Detroit-Tiger game with the Tecumseh in order to see Bobby Heck, the star southpaw of the London club, in action. Mack has heard so much of Heck that he has determined to take a look at him himself instead of taking the word of his travelling ivory hunters.

Manager Reising, a close friend of Connie Mack, has consented to send Heck in to oppose the Junglers here on Tuesday, which will be the big day in the Canadian League, with American League teams playing at both London and Brantford—London Free Press.

Johnny Nelson is doing well at 3rd base, and Rube Deneau's cast-off may probably develop into one of the best third sackers in the league. Doc Reising has a lot of faith in him, and so far he is covering a lot of ground and hitting well, particularly in the pinches—London Free Press.

Frank Osborne, the young second-string catcher of the London Club, who was pulled into the game on the suspension of Catcher Snyder, last Friday. He made a good showing in his first game and on Saturday caught a splendid game. He has a good throwing arm and although no occasion has arisen for his use except in the last few days, he showed then that he had the goods.

Optimism From Ottawa
Taking five of the seven road games last week is no mean feat. The champs have the advantage of having more games to play during August than the Cockneys and, with any kind of a break should just about have that lead caught up by the time September and the final spurt is here. The purchase of Mitchell had a lot to do with the great rally that the champs made. This youngster is fifty per cent the best shortstop in the league, and appears to be making Smykal put up the best game he ever has at second base. Last year Smykal wasn't much of a success on the second sack; this year he's a wonder, possibly because he has a player working with him who forces him to travel the limit. George Nill is playing mighty consistent ball at third and when Dusty Bullock returns he may be sent to right field, a position where the champs have been weak nearly all season. Bullock's ability with the stick and as a lead-off man outshines his work on the sack, although he has been playing fairly consistent ball at the most difficult position on the field—Ottawa Free Press.

Says the Ottawa Journal: The pitching staff looks improved with the coming of Roberts and Gero. Roberts pitched a cool, heady game yesterday and looked particularly good with men on the bases. Gero has always been a good twirler, even with the wretched support the Brants usually gave him—Ottawa Journal.
