will prove to any woman that there is no better shoe for feminine wear than the King Quality at \$3. She doesn't need to be a judge to see that. Did you ever know that uncomfortable shoes affect a woman's temper? It's true, nevertheless, and so we can honestly say that a sweet disposition goes along with the style TRADE MARK and the ease and the beauty of King Quality.

There are no better...
Mixed Paints in the...
world than those we sell
and our price is only...

\$1.40 gal.

Or

35c. per Quart

Our competitors will try and persuade you that because our price is low, our mixed paints are of an inferior quality or scant measure, but the fact is we sell the "Prim Brand" Paint, made by the Canada Paint Co., of Montreal, the largest paint makers in the Dominion, and every gallon of their paint we sell is warranted to be fresh and pure, and of full Imperial measure. We sell more paints than all the other dealers in Chatham put together, and this is why we sell cheap as quantity counts and our customers get the benefit of it.

Mr. Doyle presented a petition signed by Milton Backus and 84 others, which reads as follows:

Whereas that part of the river road extending across lot 24 and the N. E. half of 20 has been for years a great public nuisance, and yearly becoming worse, as well as a serious detriment to the value of our property; the above nuisance and injury being caused by the proprietors having planted dense rows of evergreens along the southern side of said road; and we, your petitioners desire that you, your honorable body, pass a by-law for forbidding any future planting of evergreen trees along the southerly or westerly sides of public roads in the township of Raleigh, and that any trees now planted or allowed to grow higher than six feet.

Mr. Backus, A. Edwards and others addressed the council in support of the above petition, and urged something to be done at once.

Mr. Clark appeared and complained of the west drain on the Centre road, from the 16th to the 8th concessions, being out of repair.

E. Teskey and M. Simpson drew the attention of the council to the dangerous condition of the Simpson drain bridge, and stated that something should be done at once to prevent accidents.

The treasurer submitted report that the collector had returned his roll on the 22nd of March last. The amount of taxes collected was \$170.14.

S., be instructed to make plans, specifications and estimates of the work so reported on or recommended by him, and to make an assessment therefor upon all lands and roads in any way liable to contribute thereto under the Municipal Drainage Act.

Moved by Doyle and Crowe, that A. McDonnell, O. L. S., be and he is hereby appointed to examine the Gyron drainage work from the westerly limit of the town line allowance for road between the townships of Harwich and Raleigh to its outlet in the Indian Creek drainage area in lot No. 24, in the 3rd con. E. B., with a view of repairing the same and making it of the capacity it had when last repaired in the year 1878, and to prepare plans, specifications and assessments according to the provisions of the Municipal Drainage Act, and of the provisions of the by-law as to its last repair.

George Brutto and N. Massey were appointed by by-law as commissioners of the Pike Drainage Works, to act conjointly with Chas. Crowe, the present commissioner.

ON THE ROAD

All the time, eating irregularly, sleeping irregularly, exposed to every disease latent in bad cooking or poor food; that's a summary of the traveling man's life. The result is "stomach trouble"; that general term which covers various forms and stages of digestion and nutrition. The traveling man can't avoid the troubles which spring from his business obligations. But he can avoid "stomach trouble." If Dr. Pierce's Golden Medical Discovery is used when the early symptoms of derangement of the stomach manifest themselves, the cure will be quick and radical. But even if the disease has become chronic the "Discovery" will cure ninety-eight times out of every hundred who tried fairly and faithfully.

Mr. Ned Nelson, the celebrated Irish comedian and minstrel of Sydney, N. S. W., writes: "We fulfilled an engagement of twelve weeks and the constant traveling gave me a bad touch of that dreaded disease called dyspepsia. I had tried everything possible to cure it but all last week while playing at B. F. Keith's Bijou theater, Philadelphia, in the Nelson trio, a professional friend of mine advised me to try Dr. Pierce's Golden Medical Discovery. I tried it, and thank God, with good results." Free! Dr. Pierce's Common Sense Medical Adviser, 1008 pages, is sent free on receipt of stamps, to cover cost of customs and mailing only. Send 31 one-cent stamps for the book in paper covers, or 50 stamps for the same book cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

cent. Car loads 61c, north and west, and 62c. east.
Barley—Rather firmer. Car lots of No. 2, middle freights at 42 1/2c, and east at 43c. Demand fair, but of foreign a very light.

Rye—Firm. Car lots 52c west and 53c east.

Oats—Easier. White oats, north and west, 27 1/2c, middle freights, 28c; and east 28 1/2c.

Buckwheat—Quiet. Offerings light. Car lots, outside, quoted at 50 to 52c.

TORONTO LIVE STOCK.
Toronto, April 28.—At the Western cattle yards yesterday we had 66 carloads of live stock come in, and in addition there was considerable cattle over from the previous day. The receipts yesterday morning included 1,300 hogs, 900 cattle, 130 sheep and yearlings, 10 calves, a dozen spring lambs, and a few milkers.

There was practically no change in condition of the market from Tuesday or Thursday.

There is not much demand just now for export cattle, but the best grades sell at from \$3.65 to \$4.75 and \$4.80; lighter grades are worth from \$4.25 to \$4.50 per cwt. The British markets continue low and freights high.

The butcher cattle here yesterday were a better average quality than has been the case lately, but there was no change in prices; we had a fair demand but the stuff was not all sold. The best selections sold at from \$3.90 to \$4 per cwt; and occasionally a few lots of extra choice cattle sold for an 18th and even a 14th more; in fact, it is a matter of surprise that prices are keeping up so well. Second class cattle sell for from \$3.50 to \$3.75 per cwt.

Stockers are steady, and range all the way from \$2.75 to \$3.75 per cwt. Good stockers are a sure sale.

Export bulls are steady, and for heavy, the average is around 4c. per pound, with light bulls going at from 3 1/4 to 3 1/2 cents per lb. Milk cows are worth from \$25 to \$40 each, and good to choice cows from \$45 and \$50 can be depended on.

Light and heavy feeders are quite unmanaged.

Good veal calves are wanted; common rough calves range from \$2 to \$4.50, and good to choice will sell at from \$3 to \$5 to \$10 and \$12 each. A few more spring lambs would have sold; the few here fetched from \$3 to \$5.50 each.

Yearlings are worth from \$5 to \$6.50 per cwt., and prices are firm. Sheep are steady at from 3 1/2 to 4 1/2 cents for ewes.

Bucks are worth from 3 to 3 1/2 cents per pound.

Too many light hogs continue to be sent here, and the only result will be a decline in prices.

For prime hogs the top price is 6 1/4 cents; light hogs are bringing 5 1/2c. per lb.
