Moscow Beagers, Silk Mixed Contings
Doeskins and Tweeds a very

Hair Vigor

its natural Vitality and Color.

A dressing whi is at once agreesh! healthy, and effects to its original cold with the gloss or freshuss of yout!

Thin hair is thick and balk ness often, though not always, curby its use. Nothing can restore the hair where the follicles are destroyed or the glands atropped and decayed But such as remain can be saved fo need these by this application. Instead of fouling the hair with a pasty seed ment, it will keep it clean and vigorour
