place at Foythe, Mo., last-week, when

- A tornado of mad destructiveness wept over Kansas, U. S., last Saturday night. There was not a house or build ing of any kind left standing in Towanda not a family but what is mourning for a

dead or dying member.

—The tramp profession is provided for in Germany by work stations, half a day apart. If the tramp goes on the read after breakfast and has no money, he must walk to the next station, and then work in the afternoon to pay his

Dix & Phyle, New York bankers, reported to the police last Monday that Oscar Creamer, a 19-year-old book-keep er in their employ, had stolen a large sum of money and absconded. The boy disappeared last Saturday. The police say \$70,000 were stolen.

Cold Weather Trials.—Dear Sirs.—Agitate, educate, organize, these are the deathless watchwords of success. The fingers of the hand can do little alone, but correlated into a fist they become thought of trying B. B. B., and after using one bottle have not felt any symptoms of neuralgia since. I regard it as there by the sport of the waves is an old the most profitable stock to deathless watchwords of success. The fingers of the hand can do little alone, but correlated into a fist they become formidable. The plank borne here and there will turn to best and ther -Richard Bromley, a quarryman liv

ng near London, became involved in a drunken quarrel with his wife and in order to revenge himself upon her cut the throats of their three children. One of the little ones died from the effects of the injuries; the other two were badly cut. Bromley cut his own throat after his attack upon the children and will die. -Allen Spiller, of Belfast, Me., for some reason unknown, became enraged at his wife on Wednesday. Grasping a

ammer or other blunt weapon he battered her head into a jelly. Then he cut her throat, almost severing what renained of the head from the body. After he had killed his wife he turned upon his two children and, despite their appeals, deliberately struck them again and again with the hammer. Death soon ended their torture, whereupon the brute inflicted terrible gashes in their

-- Anarchy has broken out in Paris and has resulted in the blowing up of some public buildings with los of life. The leader Ravachol said when captured: "I am proud of what I have done. You will not get a single word of repentance out of me. I would have liked to blow up the chamber of Deputies for imposing upon dynamiters the penalty of death. I murdered the two sisters Marilou and others simply to procure money to assist the cause. I could never stoop to begging. Labor is an injustice as long as it enriches an employer who gives his workers just enough to keep body and soul together. Everyone having nothing ought, to rob and murder. When there are many men like me the rich will come to terms. I am a martyr in a humanitarian cause."

Elsewhere in this issue we publish the particulars of a remarkable cure that fairly outrivals the celebrated case of John Marshall, of Hamilton, which created such a sensation throughout the country. The particulars of this case are to youched, for by the Albany Evening Journally recognized as the leading news.

Marilou and others simply to procure money to assist the cause. I could never stoop to heaving nothing and the country. The particulars of this case are to youched, for by the Albany Evening Journally recognized as the leading news.

Marilou and others simply to procure money to assist the cause. I could never stoop to heaving nothing and the country and the particulars of the case are to youched for by the Albany Evening Journally recognized as the leading news.

Marilou and others simply to procure money to sasist the cause. I could never stoop to her simply to one of Mr. Thomas begins with complete consecration, or holiness. She continually "seeks the best gifts," not for personal aggrandizement, but as a better fitting for the Master's service. She shrinks from nothing that she believes to be the will town that he is proceed at the article of God; this will, apparently, being as sweet to her as the singing of birds. She has had many trials, but must have said in her heart, "Why should I start at the plough of my Lord that maketh deep furrows on my soul? I know that he is orop." She has brought lessings to make the contracted a country. The particulars of this case are to prove the particulars of this case are to prove the particulars of the particulars of this case are to prove the particular of the pa death. I murdered the two sisters
