

Religion Is Patriotism

It is the Root of Personal Righteousness, the Mainstay of Social Order, the Bulwark of International Peace

The Makers of Canada

The earliest settlers in Canada were roused by the Call of the Church to develop a noble and useful citizenship. Young and old were invited to turn their eyes from material things, and to regard the splendor of unseen realities. Knowing that Religion is the only true safeguard of stability in the State, they built Churches, Schools and Colleges, to train men for the Christian Ministry, and to spread abroad in the land the benefits of education. This they did in their poverty, and thus directed the course of history in Canada to this day.

The Testing of Canada

Because of such sacrifices, there arose in Canada a public spirit hostile towards all injustice, dishonesty and cruelty. The War tested the moral fibre of the Canadians of a later day. Would they choose material ease and wealth, or would they risk all in defence of freedom and the rights of the weak?

Over 400,000 men voluntarily offered their lives, and endured hardship as good soldiers for the defence of equity and fair dealing in all human relationships, and for the vindication of public right. Nor were the people at home less steadfast. Besides bearing the national cost of the War, they gave voluntarily for the help of the soldiers more than \$90,000,000. Canada nobly stood the great trial.

Fight the Good Fight

The Menace of To-day

That conflict is ended. Now comes another test. Not only in Canada, but all over the world, sectional and class struggles for material rewards and for mastery threaten the present basis of Society. The vision of spiritual values gained in the War is in peril of being forgotten. The supremacy of sacrifice, the nobility of service, the reality and glory of the Unseen and Eternal, the promises of Christ; these were the things by which we lived during the War. Now there is great danger that they may fade from view, giving place to selfishness and the love of ease.

The great non-Christian peoples of the world comprise two-thirds of the human race. They are mastering our modern scientific knowledge, and if they remain Pagan may yet turn it to our destruction. Paganism stands for the supremacy of Might, the very ideal

we fought and conquered in more than four years of war.

Victory only through Christ

How can we retain the heavenly vision? How can the world be guarded against another attempt to establish the Pagan ideal? Only through the Church of Jesus Christ. There is no other agency or society that has any possibility or hope of bringing about a full

realization of the brotherhood of all mankind, and the reign of the Prince of Peace.

What the Church Has Done

All the progress of humanity in Civilization for the last 2000 years has been inspired, directly or indirectly, by the Gospel of Jesus Christ. It has ended slavery, protected life, ennobled women, educated the children, and safeguarded their lives, sanctified the home, established schools, missions and charities.

Victory places upon the shoulders of the Allied Nations the responsibility for directing new conditions to right ends. Canada must do her share.

The Coming Era

The Church must prepare to meet the needs of the new day. Old standards of life with old habits of thinking and of giving will be wholly inadequate. We must do in our day what our fathers did in theirs. The hope of the world is bound up with the strengthening and extension of the Church of Jesus Christ.

The World's Need is Spiritual

I speak as one standing upon the watch-tower, and know what the need of the land is. It is not material, it is spiritual. Get the spiritual, and the material will follow. The wounds of the world are bleeding, and material things will never heal them. And that is why I hail any movement which brings the great spirit of brotherhood. The one need of England and France today is the healing and the brotherhood of the Cross of Christ.

—Rt. Hon. David Lloyd-George, Before the Brotherhood Convention, London, September, 1919.

The Forward Movements

FIVE Christian Communions, Anglican, Baptist, Congregational, Methodist, and Presbyterian, are convinced that the time has come to rouse all Christians to a clearer understanding of their calling and stewardship in Christ, their King. They believe that the Church should be equipped adequately with men and money to enable it to meet the needs and opportunities of the New Day.

These five separate Communions are of one mind as to their be-

lief in God, the Father Almighty, Maker of Heaven and Earth, and in Jesus Christ, His Son, Our Lord. They now

declare to their respective constituencies, and also unitedly, to the Canadian people, that the only effective method of making good citizens is by urging men to a more faithful practice of Christianity, by inculcating personal faith in Jesus Christ. They insist that there is no other dependable way of correcting evil tendencies in individual and national life. They call the people to repentance. To all Christians their message is, "Awake, Arise. Fight the Good Fight, For Canada and For the World."

EACH of the Communions named is in the midst of a Forward Movement. Each is seeking by prayer and by earnest effort to accept all its responsibilities. Each is striving to extend its activities in Canada and in Foreign Lands.

Your Church needs your help, but, far more, you need the help of your Church to learn the difficult art of living wisely and well.

Consult your Clergyman. He serves you and your children. Ask him how and when you can serve in this day of national emergency. Give yourself to the task. Say: "Here am I, send me."

INFLAMMATORY RHEUMATISM PERMANENTLY CURED

New Brunswick Lady Gives Full Particulars of Her Recovery.

There are many types of Rheumatism, but none worse than inflammatory.

It was this kind that almost killed Mrs. E. W. Warman, of Kent Jct. N.B. Every known remedy she tried, different doctors gave their advice, but the disease increased.

Weak and despairing, she was at her wits' end when the remarkable cure of Thos. Cullen was published. This Gentleman was cured of rheumatism by "Ferrozone." Consequently Mrs. Warman used the same remedy. Here is her statement:

"For five years I have been rheumatic. I tried various forms of relief without success. The disease increased, settled in my joints and muscles; these swelled, caused excruciating pain and kept me from sleeping. My limbs and arms stiffened, my shoulders were lame and prevented me from working. Week by week I was losing strength and despaired of finding a cure. It was a happy day I heard of Ferrozone. Every day I took Ferrozone I felt better; it eased the painful joints, gave me energy and a feeling of new life. Ferrozone cured my rheumatism, cured it so that not an ache has ever returned. Even damp weather no longer affects me."

Ferrozone has power to destroy this acid, neutralize and enrich the blood, and therefore does cure the worst cases. Mrs. Warman's statement proves this.

By removing the cause of the disease and building up a reserve of energy, Ferrozone is certain to cure. Sufferer, isn't it about time to stop experimenting? Ferrozone is a CURE, order to-day, 50c. per box, or six for \$2.50, sold by all dealers or direct from The Catarthozone Co., Kingston, Ont.

NEW YORK HERALD AND SUN ARE TO AMALGAMATE

New York, Jan. 26.—Frank A. Munsey, owner of the New York Sun and The Evening Sun, who recently bought the New York Herald and Evening Telegram from the estate of the late James Gordon Bennett, has made the announcement that the Sun and the Herald would be amalgamated February 1st under the name of The Sun and New York Herald. The plan of the Sun is to be used for the publication of The Sun and New York Herald, Mr. Munsey explained, because the ground lease upon which the Herald building now stands expires in a few months and will have to be abandoned.

THEATRES CLOSED

Memphis, Tenn., Jan. 24.—All theatres were today ordered closed here by the health department as a preventative measure against the spread of the influenza. The William Jennings Bryan mass meeting to have been held here tomorrow was also ordered cancelled. Only 156 cases of influenza have been reported.

Chief Justice Mathers of Manitoba has decided that the Manitoba Workmen's Compensation Act is ultra vires of the Legislature.
