## Inhuman Treatment of a Dog

SUMMARILY ENDED.  
From Sunday morning last to Friday night a dog with a bullet wound in his head, had been perishing in Rennie's Field. School children had been reporting the fact that the animal was alive, and would try to get on its feet when they approached. Master Bob Harris investigated the story and acquainted Inspector General Hutchings, who sent a policeman to the scene to end the dogs suffering.

## Lines Interrupted.

The Department of Postal Telegraphs had their lines interrupted between Deer Lake and Bonne Bay on Tuesday and Wednesday of last week and could not account for the trouble. The line repairer was sent out from

Deer Lake to investigate and upon his return reported that the cause of the disconnection was due to a moose which had been running in that direction, as one of the beast's horns was found entangled in the wire. How the animal collided with the wire is not known.---Western Star.
