## British Government May Subsidize the Coal Industry

Coal Conference in Session at Halifax—  
Abd-el-Krim Prepares to Attack Ouz-  
zan—MacMillan Expedition Held in the  
Ice in Melville Bay

#### COAL PROSPECTS GLOOMY.

LONDON, July 30. The gloom of averting the threatened coal strike seemed deepened by negotiations between coal owners and workers meeting yesterday with Premier Baldwin resumed this morning in a gloomy atmosphere. Leaders of both sides, at the meeting, spoke pessimistically of the prospects.

#### CONFERENCE AT HALIFAX.

HALIFAX, July 30. The conference, initiated here to-day in the effort to effect settlement of the dispute between the British Steel Corporation and its three thousand colliery workers, which has dislocated the mining industry in Nova Scotia for the past two months, adjourned at six o'clock tonight to be resumed to-morrow.

#### CONFERENCE CONTINUING.

LONDON, July 30. Notwithstanding the failure of Premier Baldwin's efforts to bring the miners and mine owners together, and arrange settlement of their differences, the pessimistic view touched by A. J. Cook, Secretary of the Miners' Federation, that there is no ray of hope to be seen, is not universally held, although only two days remain in which to make an arrangement which would

avoid cessation of operations in the coal industry in accordance with the strike notice sent out by the workers' leaders, the situation is not regarded as entirely beyond hope. Premier Baldwin who spent fourteen hours yesterday in alternate conversations with representatives of miners and mine owners will resume talks with both sides to-day.

#### GOVERNMENT MAY SUBSIDIZE MINES.

LONDON, July 30. The conference between Premier Baldwin and representatives of miners and mine owners ended at midnight to-night without settlement of the mine controversy but without final rupture. It is understood that conversations will be renewed to-morrow. An official statement was immediately issued by the Ministry of Labour saying that the Government was prepared to render assistance to the coal industry until Spring, by which time an authoritative enquiry into the economic difficulties of the industry as proposed by Mr. Baldwin will have been completed.

#### CHICAGO BANDITS NABBED.

CHICAGO, July 30. In movie thriller style a robber crew, masked and arming with pistols and shotguns invaded the exclusive Drake Hotel in Chicago's gold

district late yesterday afternoon, exacting scenes of killing and sanguinary gun fighting that extended subsequently for an hour over the north side boulevards. When the spectacular affray was over, the five robbers were dead and one captured. The hotel clerk had been killed, and two women had been injured. Two robbers escaped with \$10,000. Early to-day one of the escaped holdup men was found and the one previously arrested confessed fully. Robert E. Crowe, States Attorney, said he would ask the grand jury which adjourned to-day to sit long enough to indict Jack Holmes and Jim Woods, the two captured. "It's a hanging case and I am going to see that they are tried as speedily as possible," he said.

#### JAMMED IN MELVILLE BAY ICE PACK.

WASHINGTON, July 30. The MacMillan Arctic expedition became wedged in Melville Bay ice pack yesterday but notified the National Geographical Society to-day that it expected to get out when the fog lifted.

#### ELECTION THIS YEAR.

WINNIPEG, July 30. "A Dominion election this fall cannot be decently avoided," said the Right Hon. Arthur Meighan, Conservative Leader, upon arrival in Winnipeg to-day.

#### ABD-EL-KRIM TO PLAY HIS LAST CARD.

FEZ, July 30. Abd-el-Krim, directing the plans of the rebellious Rifian tribesmen, is getting ready, according to latest indications, to play his last card, in the shape of a drive on the Holy City of Ouzanan, about sixty miles northwest of Fez, his objective. The French command, however, is doing everything necessary to deal with the expected drive, speeding reinforcements to vital points, posting heavy artillery around Ouzanan, constructing defenses and placing squadrons of tanks and armoured cars in various centres.

#### FIRE AT GLACE BAY.

GLACE BAY, July 30. The store, warehouse and lumber yard of S. Udovin, New Waterford, were destroyed by fire about midnight last night. The loss is estimated at over \$20,000 with no insurance, the policy, it is said, having been allowed to lapse only a few weeks ago. The origin of the fire is unknown. The store had been raided by mobs and cleaned out on the night of June 11.

#### LADY IN JAIL.

TAMPA, Fla., July 30. Lady Grace MacKenzie, who was held in jail here three days on charges preferred by G. E. Bray, real estate operator, has filed a suit for \$50,000 damages against Bray, claiming false imprisonment. Lady Grace was charged with giving Bray a bad cheque. She was held in jail until a heavily veiled woman, whose name is unknown made good the cheque.

#### STRIKING MINERS MAKE TROUBLE.

AMANFORD, Wales, July 30. Armed with bludgeons, eight bands of striking miners, each about 400 strong, visited the collieries in the anthracite district between midnight and six o'clock this morning, intimidating officials and ordering the safety men to withdraw from the pits, despite the advice of the Miners' Federation that they remain at work.

#### Quidi Vidi Lake Improvements

Public committees usually fall in for a lot of unmerited criticism of their activities but the Regatta Committee of the present day have certainly merited the congratulations of citizens of all classes for the excellent results obtained in their improvements at the lakeside. These have been patent to everyone who has seen them, and those of the public who will view the improvements on Regatta Day will surely appreciate them also. In this connection, as every available dollar at their disposal has been expended, it is certainly a wise move to adopt the idea of a voluntary offering at the park approaches. Citizens are requested to remember that this offering at the gates is not intended to finance usual regatta expenses but will be specifically earmarked for present and future improvements. The ambition of the Regatta Committee to beautify this property and make it an ideal eastern park is certainly a worthwhile one and should receive the whole hearted support of citizens of all classes.

The annual Party in aid of Toppall Parish will take place on Sunday next, August 2nd, at Pownancourt, Manuels. This year's event will eclipse all others. Preparations have been made to cater to a large number of visitors from town. Train will leave the station at 2.30 p.m. July 30th.
