CARNEY SMOTE BALL

All Alone He Would Have Beaten the Hatters-Edmonton, Moose Jaw and Regina Win

Medicine Hat, May 5.-Calgary won the day by clouting the ball vociferously and repeatedly on that portion of the snout where it went furthest today, and won out in a walk. In this smashing business Mr. William Carney was the high chief smasher. He was at the bat on four different and distinct occasions. Once he smote to the third sack, twice to the midway and once he fell down, only getting as far as first base, which was pretty much

Lethbridge Was Very Easy

Lethbridge, May 5.—The Eskimos took the game today from the Miners like taking candy from kids, by the score of 10 to 4. Englebreton, pitching, started in well, holding the Eskimos down till the fifth, when he blew up, and he got worse in the sixth. Murphy replaced him, but was still worse. Old Cy Pieh went in to save the lost cause and retired the side in short order. Lethbridge took kindly to Dell, the elongated twirler from Edmonton, ex-cept in the second, when he fanned the first three up. Two fast double plays
were pulled off. The game was a poor

PARKER BREAKS NEWS TO THE CALEDONIAS

Offers Them Expenses For the Team to Play With Celtics of Vancouver May 24.

The members of the Caledonia football club are unanimous in the opinion that the club should not go to the coast to replay the drawn game for the trophy with the Celtics. The men are thoroughly disgusted with Parker and his ways, and the bait hung out by that smooth gentleman that several sportsmen on the coast are willing to pay the expenses of the Callies and a manager, is looked upon askance

in the eighth. No brilliant fielding was Even if Parker should by error be telling the truth in this matter it is not sufficient reason that the Callies should accept any such son as that, and undoubtedly when they meet tonight they will inform Mr. Parker of this in no endearing terms.

> The following is the letter received from Parker instructing them that they will have to replay the game at Van-couver. Parker is evidently the body of trustees himself, and after much serious discussion with himself the trustees, rolled into one in the form of a Parker, who could hide behind a corkscrew and not cast a shadow, has reached the decision. Who is Parker to inform any team that their expenses have been guaranteed?

> The closing portion of his letter brands him as a coming "Bill Nye." "I hope you will decide to go out and have it out with your rivals, so that the winners can take part in the tourney at Montreal next September."
> It is to be hoped for the welfare of the Montreal tourney that one Parker has nothing to do with it.

No Referes Selected Yet.

San Francisco, May 4.-After half an hour's wrangling at Jack Johnson's training quarters today promoters and principals of the Jeffries-Johnson fight came to a deadlock over the choice of a referee. It was finally decided to postpone the selection until May 16. The controversy narrowed down to Eddie Graney and Jack Weich of San Francisco and Eddie Smith of Oakland, Johnson insisting on one of the two first named, and Berger holding out for Smith. Johnson's objection to Smith was that Smith gave him the wrong end of a decision in a fight with Hank Griffin in Oakland a few years ago.
