The American Capital Besieged by Thousands of Christian Endeavorers.

The Display Unprecedented and the Enthusiasm Widespread.

The Programme of What Bids Fair to be the Largest Convention of Its Kind Ever Yet Held.

Washington, July 8.-The great transformation begun in this city has been practically completed, and delegates to what promises to be the greatest Christian Endeavor Convention, are pouring into the city by every train. The churches, public halls, streets, and private residences in many cases, are decorated with bunting and flags of every nation. Aside from the interior decorations, the merchants have entered into the spirit of the convention and joined in the liberal decoration: Shop windows are bright with convention colors, shields and other devices in colors bearing the word "Welcome!" are prominently displayed, and fronts of stores and buildings are draped. The Government authorities have lent their assistance in decorating public parks with appropriate foliage devices, which include the working out in plants and flowers of the familiar "C. E." monogram, combinations of the letters "Y. P. S. C. E.," the convention flag in colors, and other devices with scroll work.

Washington stands ready, to sustain its reputation as a convention city. Between 40,000 and 50,000 visitors to the Capital City are expected during this week. A combined seating capacity of 40,000 will be available at any time, while the places of meeting will be more numerous than at any convention of the kind yet held.

Three great tents pitched on the White Lot, a Government reservation, just south of the President's mansion, a large hall and a number of the churches, will constitute the principal auditoriums and at certain times meetings will be held simultaneously in all. Other churches will be utilized for early morning prayer meetings and smaller gatherings. Primarily import-ant as meeting places will be the three great tents on the White Lot, named

respectively "Tent Williston," "Tent Endeavor," and "Tent Washington." Each of these mammoth stretches of canvas will hold about ten thousand people. Approximately 8,000 persons for the audience, while on the great platforms provision will be made for fifteen hundred more.

The sessions will open this evening. by holding twenty-two simultaneous the city. Thursday morning a number of prayer meetings will be held from 6:80 to 7:15, which are always welcomed and well attended by the Endeavorers. These meetings will also be thrown open to the general public.

They routed their opponents by a majority of 207, and seated Senator Daniel in the chair over Senator Hill, the nominee of the National Committee. The result showed the silver men to be 48. Sunday afternoon the services will be varied; in several churches denominational missione we will be relief. nominational missionary rallies will be held, and in Central Hall there will be a Sabbath observance meeting. In Tent Washington another evangelistic service will be held for the citizens and the evening being again free from meetings, the delegates will attend the local Christian Endeavor Society meet-

ings and church services.

Monday morning in two of the tents
will be held meetings of the World's Christian Endeavor Union, and there will be speakers from all parts of the world to tell of the progress of the work. At the other tent will be held a meeting in the interest of the suffering Armenians and in the afternoon the officers and trustees of the various State and provincial unions, where numbers of well-known and hardworking Christian leaders will have their first opportunity to meet face to face.

Monday evening the beautiful and solemn consecration meetings will be held. Every delegate will attend these last meetings and, in order to insure room for all, the meetings will be held in four churches and Central Hall, besides the three tents. All of these meetings will be in the hands of the most capable and well-known divines and the spirituality of these last meet-

ings will be beyond compare.

The programme committee has had in mind the bieyelists who attend the convention, too, and for them a number of runs to interesting points in the violnity have been arranged. These include Brightwood, Arlington, Fort Myer and the President's summer residence at Woodley.

Their Candidate for Temporary Chairman Elected by 207 Majority.

Chicago, Ill., July 8.-All roads led to the Coliseum yesterday, where at noon Chairman Harritay, of the Democratic National Committee, called to order the National Convention. The Coliseum is a magnificent building, covering 5 1-2 acres, and is said to be the largest permanent amusement and exhibition building in the world; but it was none too large to accommodate the spectators who eagerly came expecting to behold a convention filled with extraordinary scenes. It was the general feeling that the day might can be accommodated in the settees bring interesting developments, the outlook being for a struggle from the start, beginning with a clash between Senator Hill (Gold) and Daniel (Silver) for temporary chairman.

The result was that the silver men have won the first day's fight in the votes short of a two-thirds majority, taking it as a test vote. But in many respects it was not so. There were al Convention, sent six gold delegates to a silver body, and it is expected sentation cut down to two. This will give the territories 32 votes instead of 12 as cast yesterday, and all but three of these votes (Alaska two and the District of Columbia one) are counted District of Columbia one) are counted for silver. Nebraska's 16 votes will undoubtedly be turned over to the silver men by the credentials committee. Florida's vote, which was four to four on organization, will be given five for silver and three for rold here.

Jennie Rolff, Ziglar, Cheerful, Alcy and Jack Jewett were drawn. In the sixth heat, first race, all horses were ruled out except heat winners.
