Sir Charles Russel, the famous English attorney, has an income of \$100,000 a year

from his practice. Investigation shows that the recent bliz. zard totally destroyed the peach and plum crop of Southern Illinois. Currants and cherries are badly damaged.

At Mobile, Ala., Miss Augusta, daughter of ex-Mayor G. M. Parker, was burned to death Friday night. While kneeling in prayer by her bedside a kerosene lamp near her upset, exploded and burned her to a crisp.

The recent cold snap has killed the peach buds in Kentucky. Cherries and pears have met the same fate, and great damage has been done to apples. The trees were almost in full bloom when the sudden change caught them. An El Reno, Oak., dispatch says that the Kiowa and Comanche Indians have assumed

a warlike attitude, and threaten to drive the cattle men and stock men from their reservation, because they have received no grass lease payments since October. The assay of limestone taken from the streets of Portland, Ind., shows it to be worth \$86 per ton. The assay shows the following proportions of precious metals in a ton: Gold, 1.9 ounces, \$38; silver, 60 cunces, \$48. The stone is taken from the quarry of Dr. C. S. Arthur, eleven miles

KENNETH CAME BACK.

The Clever Clairvoyant, "Mme, Dunn," Made Happy Once More. NIAGARA FALLS, Feb. 18.-Kenneth Vine, the young St. Catharines swain who eloped with Bertha Baird, alias Mme. Dunn, the clairvoyant, and married her last week, returned to his wife yesterday at Niagara

Falls, N. Y. The husband, who is but a boy yet, had been coaxed back to St. Catharines by his relatives and family.

Mrs. Kenneth Vine, as her name appears on the hotel register, is a bright girl, probably 22 or 23 years old. She said she was 22 years old on Dec. 19 last. Her family formerly lived on a farm east of Rochester. Her father is now dead and her mother is keeping house for a brother named Lincoln, who is worth over \$150,000, and the fair Berta claims to be heir to this fortune. Berta, when a girl of 7 years, developed the faculty of looking into the future through a trance medium, and, being of a nature delighting in excitement and adventure, she started out several years ago as a traveling clairvoyant.

The Sting Within. It is said there is a rankling thorn in every heart, and yet that none would exchange their own for that of another. Be that as it may, the sting arising from the heart of a corn is real enough, and in this land of tight boots a very common complaint also. Putnam's Painless Corn Extractor is a never failing remedy for this kind of heartache, as you can easily prove it afflicted. Cheap, sure, painless. Try

the genuine and use no other. Puss, the common name for cat is a corruption of the Persian word pers, a cat. Nothing impure or injurious contamir-

ates the popular antidote to pain, throat and lung remedy and general corrective, Dr. Thomas' Eclectric Oil. It may be used without the slightest apprehension of any other than salutary consequences. Coughs, rheumatism, earache, bruiss; cuts and sores succumb to its action. Cambric is believed to have been so called because it was first made at Cambray. The Children's Enemy.

Scrofula often shows itself in early life

and is characterized by swellings, abscesses-

hip disease, etc. Consumption is scrofula of the lungs. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine. Persons of weak intellect are apt to succumb to acute diseases of every kind. Carpenters, builders, laborers and all mechanics who are particularly liable to cuts, bruises, wounds, sprains, overstrain. ing, etc., should always have close at hand a bottle of Pond's Extract. It beneficial

result is almost instantaneous. No remedy

is equal to it. But great care must be taken that Pond's Extract is obtained and not any cheap imitation.

Keeps you in Health, is delightfully refreshing, and a great safeguard against infectious diseases. No traveller or family should be with out it. Sold by chemists throughout the world. W. G. DUNN & CO., Works, Croydon, England.
