GREAT MIDWAY Con. T. Kennedy Promises Wonders for Canadian National Exhibition. The midway at the Canadian National Exhibition this year promises to be something to write home about. When Con. T. Kennedy, the king of the carnival showmen, came to the exhibition last year he had little conception of the size of the Canadian National

two weeks. No sooner was the exhibition over than he started raking the amusement world for material to give us a midway worthy of the fair. He writes that he has got the goods to do it. That means that we are to have the greatest midway ever put on anywhere. It will be clean, wholesome fun, but in large quantities, so if you yearn for the sweet song of the speiler, the smell of the sawdust and the red lemonade you know where to find it.

Andreas Hofer—The Inn-keeper Patriot of the Tyrol

THIS peasant-leader Liberty was as much the breath of life as it is to the strong-winged eagles of the Alps. To achieve it for himself and his mountain brothers he gladly laid down his life. No less a personality than Napoleon vanquished him, and it was because he feared him that the Great Emperor ordered Hofer shot Every atom of Andreas Hofer loved Liberty He demanded it for himself and willingly gave it to others In this respect he is no different than are our thousands of Tyrolese citizens. Personal and National Liberty to those of Tyrolean blood is a religion To a man they will fight for it and to a man they will die for it. When asked to vote for Prohibition they do as would do the great patriot Hofer-VOTE AGAINST IT. Thou shalt NOT eat this—thou shalt NOT drink that is insolent legislation to those of Tyrolean blood. Anheuser-Busch are proud to serve their thousands of Tyrolese patrons. For 57 years these people have been moderate users of their honestly-brewed beers BUDWEISER is a favorite wherever they reside. Seven thousand, five hundred people are daily required to meet the constantly increasing demand for BUDWEISER. Its sales exceed those of any other beer by millions of bottles. ANHEUSER-BUSCH . ST.
