To this proceeding and asked that a before Captain McIntyre of consent To this proposition the Bristol's skip-to return to Victoria being defended as per would not listen, and as Captain

subscribed to under compulsion.

The story of the adventures of the big ex-collier and her little consort since the project of reaching Dawson this autumn by way of the river was formulated would fill an interesting book of at least four chapters. The first of these would be devoted to the events antecedent to the sailing of the vessels from Victoria, including the deliberations of the miners' committee who day after day protested committee who day after day protested against the delays in sailing wh the successful navigation of the river to ity as represented in the person of deputy collector Rowe of Union Bay.

The picking up of the Eugene by the Bristol en route north, with the disable-

gret having harrassed England too out of the failure of the steamship com-

leadership nor principals. Everyone is groping about and the treasurers influence I labored to accumulate are being profitlessly squandered."

The Roleil in an important article sisting to work the flimsy river boat in

—who chanced to be among the north bound passengers; Shipbuilder Schlego-man, and the skipper of the Eugene. Their report was as follows: ALERT BAY, Sept. 4, 1897.

ALERT BAY, Sept. 4, 1897.
We, the undersigned, at the request of Captain C. H. Lewis, of the stern wheeler steamer Eugene, belonging to the port of Portland, in the state of Oregon, which said steamer arrived in this bay on this day in tow of the steamship Bristol, having put back on her voyage to St. Michaels owing to damage received during her voyage. We surveyed said ship, and after careful inspection thereof we beg to report ful inspection thereof we beg to report that at 6.50 p.m. we sounded her wells and found eleven and one-half (111/2) Wednesday morning, the Columbia river inches, and at 7:30 p.m. sounded again and found she had made two inches in steamer Eugene has once more distin- the hour. We found that on the port guished herself by a coup as daring and bilge eleven (11) knees were broken, and piratical as that by which her escape on the starboard side five (5) broken from Customs Officer Rowe was accom-plished one week ago. The Stars and Stripes were again flying free at the water running freely through various

Canadian law. He will be beyond the reach of outraged British justice as soon as he touches an American port; but then the fact that he has no papers of any kind will be sufficient to secure for him a heavy fine, if not confiscation by the government of which he has been so conspicuous if so discreditable an advertisement.

As for the Bristol, she is back in harbor, and her passengers fill the city hotels. They are for the most part "broke," or very seriously handicapped as to finances; and while they are not yet decided as to whether they will remain here until spring or try Dalton's trail for it before the winter regularly closes in—they are already making vigorous preparations for pressing their legal claims for damages in the Canadian courts.

Messers. Drake, Jackson & Helmcken were blowed and the deck planks 4x1½ inches, and the deck planks 4x1½ inches, as soon as the passengers subscribed to a document foregoing any possible claim as soon as the passengers subscribed to a document foregoing any possible claim as soon as the passengers subscribed to a document foregoing any possible claim as soon as the passengers subscribed to a document foregoing any possible claim as soon as the passengers at soon as the passengers at soon as the passengers and excl. On her main here were kneed to the start keelsons, was a strong trestle work well stayed and bolted, which trestle work had worked loose in many places; we found that the contract to deliver her passengers at bt. McGrarland was also asked to sign a special release, and he did so on behalf of his company.

What the unfortunate gold seekers whose plans have been thus rudely distensed in the contract to deliver her passengers at bt. McGrarland was also asked to sign a special release, and he did so on behalf the fact have been thus rudely distensed to a document foregoing any possible claim as strong treatly work well stayed and bolted, which trestle work well stayed and obted, which trestle work well stayed and obted, which trestle work work as tare from the

dian courts.

Mesers. Drake, Jackson & Helmcken were busy almost all yesterday listening to the depressing tale of their misfortunes, and it is generally understood now that suits will be entered at once,

On Friday last, the Bristol and her consort having then been two days at Alert Bay, a notice was posted on the parties saying that the government at side of the horizontal parties saying that the government at side of the big steamship announcing Havana would prefer war with the that the ship would sail the following morning at 8-no destination being however specified. It was on this point that

Paris, Sept. 7.—The Gaulois to-day ment of the river tub would furnish the passengers subplicted in the passengers against further professional forms of the passengers against further profession on the passengers against further professional further professiona marck, in which he is quoted as having expressed the fear that the efforts made at Peterhof were so much wasted time.

What was required, the ex-chancellor is ter four would deal with the second escape of the Eugene, while the lights of Victoria were in sight, and the indignant passengers shouted in vain from the big steamer for her consort to return.

Almost every one of the city hotels now has its quota of Bristol people, and from them it is no hard matter to secure.

As to the Eugene's break for freedom, the Bristol's passengers say it was looked.

from them it is no hard matter to secure fullest particulars of the inauspicious for from the time Alert Bay was left asternal that Germany will not succeed cruise. In the first place, they believe they have a claim for damages arising tern. It was in fact the very day that they got away, that Mr. G. C. Van Ness, they are they have a claim for damages arising out of the failure of the steamship company to give the Bristol despatch at the secretary of the miners' committee asked Captain Lewis of the Eugene, to transfer the command of their captiletes. tern. It was in fact the very day that

originated in the store of B. L. Godyette, on Main street, and swept along the east side of the street, destroying the big new block of A. G. Dolloroff as well as the Russo-Franco alliance. Germany the stock well as the stock well as the paper says, have no the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the stock well as the paper says, have no the stock of the st cause there did not seem to be anything he could do, and flight appeared to be of the police of Barcelona, the captainhis only expedient."
