CHILDREN'S JUMPER DRESSES

Our assortment of these Dresses is well worth an inspection, as our assortment is very large and complete. We have dresses of all grades and prices, but would call particular attention to some that we have received from a New York house, that devote themselves to children's wear exclusively. These dresses are most of them shown in the popular jumper effects, the feature of them being the materials used in making the patterns are very different from what you will usually see, and are very handsome, and being exclusive are not likely to become common. We have these dresses for children of all ages.
