THE GRAPHIC'S STAND.
The Graphic again wishes to state that it is not supporting Mr. W. H. Wallace's candidature for the Mayoralty, much as the Tribune would wish to have it appear that we are the "man behind."

Mr. Wallace as a citizen of this town has a perfect right to be a candidate if his friends wish him. If he wishes to use space in the Graphic to set his views before the ratepayers it is at his disposal, just as it is at the disposal of any other candidate or candidates, who may wish to use it. As we stated before we are entirely independent in this election and are only interested in seeing that the best men are selected in the best interests and for the advancement of Campbellton.

FOR TOWN MANAGER.
The Tribune would like to intimate that Mr. W. H. Wallace is the only one in the coming contest who favors the employment of a town manager. We have this to say that we have had frequent conversation with His Worship Mayor Murray and he has publicly stated that he is in favor of the employment of a town manager, and went so far as to bring the matter of special legislation up, he was informed by the town solicitor that the town had all the necessary power to employ such a manager if it was considered the proper course to pursue. Many of the present councillors also are in favor of the employment of a competent man to manage the affairs of the town under the direction of the Town Council.

STICK TO THE TRUTH.
The Tribune in its issue of yesterday states:—

"When the bonds amounting to \$20,000 which were authorized by the ratepayers have been issued to assist in the payment of this building (Fire Station) are sold then the town's overdraft will have been entirely wiped out."

If the editor of that paper had called up the Town Treasurer or even any one conversant with town finances he could have received information which would have enabled him to truthfully set this matter before the electors, but he had no inclination to do this.

What are the facts.
On Jan. 1st, the town started in with an overdraft of \$19,548.32. From the first of the year to March 31st, the revenue amounted to \$14,000 while the expenditure was approximately

\$35,000 or a further deficit of \$21,000 which makes the overdraft at the present time over \$40,000.

Of this amount the new Fire Station represents an expenditure of between twenty and twenty-five thousand dollars, and when the bonds authorized (\$20,000) are sold the amount of overdraft will be reduced by the amount they sell for, so the overdraft will not be entirely wiped out as the Tribune states, but will amount to at least \$20,000 or nearly double that of a year ago.

There are doubtless reasons for the heavy increases in the expenditures in various departments, and such increases should not be hidden but placed squarely before the ratepayers so that they will have no false conceptions of the town's financial standing at the present date.

The present year will be an exceedingly hard one for our ratepayers. Besides this heavy overdraft the town faces an additional appropriation for schools \$15,000 in excess of last year, and there are needed large additions to our electric light, fire alarm, water and other plants which will represent thousands of dollars.

It is better that our ratepayers should honestly face these matters and prepare for a heavy increase in our tax rates.

DALHOUSIE.
Dalhousie, April 6.—With ideal weather and improved roads Easter trade was ahead of past years in the shire-town. All the stores did a rushing business.

Large congregations attended the services in our churches on Easter Sunday.

At St. Mary's Episcopal Church, potted plants at the entrance of the choir and cut flowers on the altar impressed one that once more we could welcome the happy Easter tide, and all world, animate and inanimate, rejoice in the coming of the renewed life and beauty of spring.

On Saturday evening the Sale conducted by the Ladies of St. John's Presbyterian Church was a success. Race day in Dalhousie always draws a big crowd. This year was no exception and on Monday our streets were lined with people coming from all parts, to enjoy a day's sport. All returned home pleased with the races.

Much to the credit of the place there was no disturbance.
A very enjoyable little surprise party took place on the evening of March 24th when the young friends of Miss Stella Ganton, who is to leave Dalhousie shortly with her parents, to reside in Price, P. Q., visited her home and presented her with an address, accompanied by two handsome pieces of ivory.

Miss Mary Coleman read the address and the gift was presented by Miss Myrtle McGrath. Those present were: Misses Helen Elshiger, Nellie Muldon, Marion Campbell, Fredonia Arsenau, Rhoda Barbour, Ethel McGrath, Gertrude Cook, Irene Cameron, Margaret Elshiger, Jean Connacher, Ruth Foran, Myra Wallace, Mildred Doyle, Mary Coleman, Myrtle McGrath and Messrs. Leo Cannon, Teddy Cannon, Bernard McGrath, Billy Mott, William Cragg, Hugh Connacher, Frank LeBlanc, Albert Godin, Robert McMillan, Wilbur Pallen, Ralph McNeill.

The Basket Social held on Monday evening at Eel River Crossing was a grand success, the handsome sum of \$285 having been realized.

The Whist Party and Basket Social held this week at Upper Canoe brought in the vicinity of \$400.

The Basket Social held in Balmoral gave the sum of \$200 to go towards the building of a new hall.

The four act drama put on by the St. John Baptist Dramatic Club of Dalhousie, the "Isle O'Dreams" on Monday afternoon and evening, drew large houses, and the proceeds amounting to the splendid sum of \$240 will go towards renovating the interior of the R. C. Church.

As the short aparts, Mittot to your correspondent it would be impossible to do justice to the actors who certainly surprised everybody. The play is a good one and the principal actors, Mr. George Dwyer, deserve great credit for his acting and singing, and the great interest he took in getting up the entertainment. These who took part in the play with great credit to themselves are: Harry McVoy, Frank Troy, Wilfred Godin, Lucie LeCoute, Armand LeCoute, Leo Blanchard, Walter Cabot, Benoit LeBlanc, and the Misses Ellen Troy, Antoinette Blanchard and Bernice LeBlanc.

Splendid music was furnished between the acts by the orchestra as follows, Miss Elva Howatson, piano; Miss Geraldine Sheehan, violin; Mr. Comeau Campbellton, cornet; Mr. Wallace Sheehan, drum. God save the King.

Among those who came to Dalhousie on Monday evening to enjoy the play the "Isle O'Dreams" were: Rev. A. Melanson, Campbellton; Rev. F. M. Allard, Val D'Amour; Rev. F. M. Lantegui, Athol; Rev. Claude L. Cyr, Balmoral; Mr. Arthur Cyr, B. A. L. L. D. Edmunston, N. B.

Miss Audrey Doyle of the Bank of N. S. Staff, Jacquet River, and Miss Frenette, were the guests of Miss Antoinette Blanchard on Monday evening, and took in the play in the convent hall.

Mr. George MacNeill, spent the Easter vacation at his home here, the guest of his parents, Mr. and Mrs. H. McNeill. He was congratulated by his many Dalhousie friends, on his promotion to become manager of a branch of the Royal Bank of Canada, at Blackville, N. B.

The many friends of Mr. Thos. G. Scott, who spent the winter months with Mrs. Scott, the guests of their son Charles Scott at Amherst, N. S., were glad to welcome him back to Dalhousie, where he will spend the summer. Mrs. Scott will join him in a few days.

Mr. and Mrs. E. R. Gaudet, spent the week end with their friends in Moncton.

Mrs. A. H. Troy and two children of Campbellton spent the week end in Dalhousie, guests of Mrs. P. B. Troy.

Miss Anna Fortier, Ed River Crossing, spent the Easter holidays with her sister, Mrs. Frank Synott.

Mrs. McDonald, Eel River Crossing, spent the week end in town, the guest of her sister, Mrs. Art. McMillan.

Mr. and Mrs. Harry Ferlatte, Jacquet River, are in town visiting Mrs. Ferlatte's parents, Mr. and Mrs. John Clowater.

Miss Bernadette Hayes of the Royal Bank staff, Bathurst, spent Easter Sunday in Dalhousie the guest of Mrs. P. B. Troy.

Miss Agnes Barberie and Miss Marjorie Atchey, who have been attending the Chatham Convent, are spending their Easter holidays at their homes here.

To The Electors and Citizens:

I publicly stated in my card that I would not make any personal canvass or solicit votes during this Town Election, but I find that there are many false and malicious canvasses used, and put in circulation that can be refuted in no other way, as they differ in every part of the Town to suit their intended purposes.

I may say further there is a report in circulation that I will retire at the last moment. I wish to say to this that I am in this contest to a finish, irrespective of any influence that may be brought to bear.
