WOODWORKERS & MANUFACTURERS
 DEALERS IN ALL KINDS OF BUILDING MATERIAL

OUR POLICY
 "Prompt Service and Clear Attention To All Orders"

"To this policy strictly adhered to, we consider that we have always been doing the best for our customers, and we are always full sure that they would get exactly what they wanted promptly and at reasonable prices."

"Our modern plant and large stocks always on hand enable us at all times to give our customers the very best service."

"We can ship made to order goods within a reasonable time, not to quality, as stock goods for the reason that it takes time to manufacture special or odd material. However our up-to-date plant and splendid organization enable us to do this work in a way to meet your hearty approval."

WRITE FOR OUR NEW 48 PAGE CATALOGUE
 YOU WILL FIND IT FULL OF INFORMATION ABOUT BUILDING AND BUILDING MATERIAL.

STATIONERY **SUPERIOR QUALITY**

When you write on paper of superior quality it is a subtle way of telling your friends that your ideas of good taste in everything correspond to your ideas of quality stationery. Let us supply you with paper that expresses taste to the highest degree.

HUNDREDS OF SHIPS IN ICE. WILL INSTAL WATER.

At the west coast of Hudson is now a tremendous and of course water system in the early spring is in demand of the coast. All attempts to help, even by airships, have Mr. Joseph Capogrossa of Campbellton died, owing to heavy snow and fog, will in all probability do the work.

CAMPBELLTON WINS NAPIER CUP SERIES

Best Bathurst in Class Games By Seven Points Only.

The play for the Napier Cup between Bathurst and Campbellton resulted in a win for Campbellton by the close margin of 7 points.

Of the eight Campbellton players competing in the game, four at Bathurst and four at Campbellton six defeated their opponents, three at Bathurst and three at Campbellton.

The play at Bathurst resulted as follows—

Campbellton	Bathurst
F. P. Wetmore 17	Kennah 10
McLennan 14	McLaughlin 10
Millar 16	Dick 11
J. P. Wetmore 7	Foley 15
	54
	46

At Campbellton—

Millar 7	Johnson 18
Carr 14	Elihaton 10
E. P. Mowat 17	Ellis 14
Andrew 19	Veniot 16
	57
	58

Bathurst won at Campbellton 1 point.

Campbellton's total score 111
 Bathurst's total score 104
 Both clubs were entertained after the games.

TWO RINKS OFF FOR QUEBEC

Will Defend Title to Holt-Rowley Cup—Play Friday and Saturday.

Two rinks of Campbellton curlers left for Quebec, where they will play all-comers to defend their title to the Holt-Rowley cup, which they won last year. The play takes place Friday and Saturday. The following curlers make up the visit: M. M. Mowat, E. E. Staves, Thos. Wm. H. A. Carr, E. A. LeGallier, E. P. Mowat, Geo. F. Miles and F. H. Dickson.

FIRE DESTROYS SUGARLOAF STORE

"Sugarloaf Grocery" Badly Gutted and Flat Over a Complete Wreck.

A little before one o'clock on Monday morning fire broke out in the McDonald building on Sugarloaf and John Irvine and his family, the tenants of the flat above the Sugarloaf Grocery, were forced to flee without making any attempt to save household effects. When discovered, the fire, which had apparently originated from the kitchen, was making rapid headway and threatening to cut off escape via the front stairs.

The fire department lost no time in reaching the scene of the blaze and began to work with the hose and ladders to tell on the mad rush of the flames. The entire flat, however, is badly gutted, although the exterior walls are intact. A portion of the roof also fell in. Although the fire was confined to the upstairs flat, water played havoc with the stock in the grocery store below, before the owners could rescue any considerable amount of their goods. Thus the loss occasioned by the fire is a heavy one in both quarters of the building. The firemen stuck to the hose throughout the entire night, it being about six o'clock before all signs of blaze were extinguished.

CHATHAM OUT OF CHAMPIONSHIP

Lost Both Games to Sussex—Charlottetown Also Defeats Sussex.

The Charlottetown hockey team won the first game of the Championship series which took place between Sussex and Charlottetown at Charlottetown on Wednesday night. The score was 4 to 0. The Sussex hockey squad crossed sticks with the Chatham team last Friday night on the latter's ice and trimmed their opponents to a fragile score being 4 to 0. The Chatham players bombarded the Sussex net with much shooting but invariably failed to get the puck past Finnegan, the Sussex goal keeper, who played a marvelous game. It is claimed the Chatham hockeyists outskated their opponents but a visitor declares that each man on the Chatham team played his own game and that there was no combination play among them. It is said to have been a clear game and very few penalties were necessary.

On Monday night Sussex again defeated the Chatham Sixettes, 4 to 3. All Chatham needs is practice and lots of it.

Sussex, N. B. Feb. 21.—Ten minutes overtime were played here last night before the Sussex hockey team notched up its second win over the players from Chatham by a score of 4 to 3 and thereby established itself as the champions of the New Brunswick section of the N. B. & P. E. I. Hockey League.

Sussex, Feb. 22.—In the fastest game ever witnessed on the local ice the local team met defeat from Charlottetown to-night. The score 2-1.

NOTED SPORTSMAN PASSES AWAY

Dr. Heber Bishop, 64 years old, well known big game hunter and angler, died Monday. He was the organizer of the Megantic Club, a large organization of sportsmen, and had bagged thirty-three bull moose in the Maine and New Brunswick woods. Dr. Bishop was born in Marlinton, Que., and for many years had been engaged in the insurance business. The deceased did much to make the resources of the province better known by means of views, lectures, magazine articles and exhibits at sportsmen's shows in Boston, New York and elsewhere.

BIG GAME BEING KILLED

Reports That Moose and Deer Are Being Killed on Jacques River.

The Graphic learns from various sources that the annual slaughter of big game is going on in the lower end of St. John's county. Moose which have been yanking in that section have been disturbed and some killed, while others have lost their tracks and effect that such a proposal has been made to the provincial government. It is understood, however, that other phases of prohibition have been discussed.

The controlled sale of liquor by bottle under a permit plan similar to that in vogue in British Columbia is the proposal that has been said to be under consideration by the Provincial Government of New Brunswick. In fact, Premier Foster made an official announcement some weeks ago to the effect that such a proposal has been made to the provincial government.

CARD OF THANKS.
 Mr. and Mrs. Oscar Gallup and family wish to thank their many friends for kindness shown to them during their recent sad bereavement.

CLOSING CHAPTER.
 Don't miss the final chapter of "King of the Circus" with Eddie Polo at the Opera House Friday and Saturday. The bill also includes the splendid Wm. S. Hart production "Three Word Brand."

"FOOTLIGHTS."
 Those who were so greatly disappointed when the Elsie Ferguson production "Footlights" failed to arrive when advertised for showing at the Opera House a short time ago will be glad to hear that its presentation for next Monday and Tuesday is now announced and that it will not fail both to arrive and please is practically assured.

ATTENTION!
 Watch my show windows for snaps. S. M. MOORES.

QUEBEC LAW WAS NOT CONSIDERED

Controlled Sale of Liquor by Bottle Under Permit Plan the N. B. Proposal.

St. John, N. B., Feb. 20.—Considerable comment has been published recently regarding the New Brunswick government and the matter of introducing legislation covering the public sale of beer and light wines in the province similar to the Quebec law, and it has been stated that the government had abandoned the idea of the proposed legislation. It was said authoritatively today that the provincial government has had under consideration the matter of the public sale of beer and light wines as reported. It is understood, however, that other phases of prohibition have been discussed.

The controlled sale of liquor by bottle under a permit plan similar to that in vogue in British Columbia is the proposal that has been said to be under consideration by the Provincial Government of New Brunswick. In fact, Premier Foster made an official announcement some weeks ago to the effect that such a proposal has been made to the provincial government.

PETITIONS BEING LARGELY SIGNED

Temperance Alliance Preparing For Campaign Against Prohibitory Law.

Because of the persistent talk of legislation to be introduced at the forthcoming session of the Legislature to change the present Prohibitory Act, making it more easy to procure intoxicating liquor, the N. B. Temperance Alliance are circulating petitions throughout New Brunswick asking that no change which would weaken the present act be made. These petitions are being very largely signed.

U. S. CONTROVERSIES ON ARMS TREATIES

Washington, Feb. 20.—Despite the pressure of both Republic and Democratic Senate leaders for prompt action, controversies are developing within the foreign relations committee which may lead to a long committee discussion of the arms conference before any of them is brought to the Senate floor or ratified.

DECLINES TITLE

Toronto, Feb. 21.—All the offers of special honors that have been tendered to him for his work as head of the British delegation at the Washington arms conference have been rejected by Right Hon. A. J. Balfour, says a London cable to the Mail and Empire.

Last week King George offered him a peerage, but he declined the honor. This was the fourth time that he has refused a title. The King also recently offered to make him a Knight of the Garter.

ST. JOHN TO HAVE DAYLIGHT SAVING

St. John, N. B., Feb. 20.—Mayor Schfield announced today that it was planned to have daylight saving in St. John next summer for the same period as last year, from the Sunday before May 24 to the Sunday immediately following Labor Day.

FEW SIGNS OF IMPROVEMENT

English Lumber Market Very Stagnant and Little Movement in Evidence.

Messrs. Farnworth & Jardine, Liverpool, in their circular of February 1, say: New Brunswick and Nova Scotia Spruce and Pine Deals, etc.—There was an import to the Mersey (mostly to the Manchester Canal) of 1,900 Standards. This was exceeded by deliveries which showed that 3,070 standards went into consumption, leaving a low stock on hand, viz., 7,780 standards, compared with 32,200 standards this time last year. Forward business showed no improvement, and was of small dimensions. The consignments arriving in Manchester were mostly stored for shippers' account. The prospects for an early improvement do not appear bright, as considerable quantities of the government imports landed at other English and Scotch seaports of comparatively low priced stocks are still available. Exchange rates were fairly steady, with an improving tendency. Pine Deals—The stock is small and consists mostly of lower qualities which are difficult to move.

Birch—Logs: The import of 6,000 feet came to Liverpool. A quiet demand ruled, resulting in a similar quantity going into consumption. Stocks while not unduly heavy, appear sufficient. Planks, etc.: There was a small import, which was exceeded by deliveries. Stocks are heavy, but parcels in fresh condition and of good quality, would probably find buyers.

ARCHER CUP GAMES.
 Two rinks of Chatham curlers are expected here to-morrow evening to play Campbellton for the Archer cup.

A BIG FEATURE.
 "Three Word Brand" with Wm. S. Hart which is the big attraction at the Opera House on Friday and Saturday is without doubt the best picture in which this star has ever appeared and in fact has few rivals among productions of any kind.

THE SKY PILOT.
 Campbelltonians who were so favorably impressed with Dr. Gordon (Ralph Connor) when he lectured here a short time ago will certainly want to see "The Sky Pilot" when it is presented in picture form at the Opera House next Wednesday and Thursday.

FEDERAL THREE AT CELEBRATION

Fellow Citizens and Cabinet Colleagues Tender Banquet to Hon. Ernest Lapointe.

Quebec, Feb. 21.—Fellow citizens and cabinet colleagues tendered Hon. Ernest Lapointe, minister of justice, a banquet at the Casino "Primitives" here tonight. The occasion made the guest of the evening, was the federal prime minister, Hon. W. L. Mackenzie King; Hon. Jacques Surcouf, minister of customs and excise; Hon. Dr. Roland, minister of military and naval affairs.

The banquet besides being a testimonial to the late federal election, was also a celebration of the victory of Premier King and party in the recent federal election.

TWENTY-YEAR SENTENCE.
 Quebec, Ont., Feb. 21.—Twenty years in the provincial penitentiary was the sentence imposed today on John Hordard, who with other prisoners pleaded guilty to manslaughter in connection with the death of John McNab, late governor of the jail here.

MANY PERISH IN AIRSHIP CRASH

Giant Airship Becomes Entangled in High Tension Electric Power Wires.

Manassas, Va., Feb. 21.—Fling earthward, presumably by a broken rudder, the giant airship Roma plunged a thousand feet or more today to strike ground at the Hampton Roads army base, capsule across a high tension electric line and burst in a roaring furnace of blazing hydrogen gas in which more than thirty of her army crew and passengers perished.

Hours after her fall, the ship was still a mass of flames from end to end, feeding on the million cubic feet of gas that had distended the great bag for the flight.

Doses of Crew Saved.
 Barely a dozen, of more than two score men aboard had been picked up alive. All of those who survived the fire escaped by jumping as the ship struck. The others, penned in the hull beneath the fallen bag, were burned to death. Heat of the fire fought back the rescuers for hours.

FIRE! FIRE!

FIRE SALE

A large quantity of general groceries, canned goods, etc., slightly damaged by water only will be sold while they last at unheard of prices.

If you want bargains in these lines come at once.
