HARDWARE.

Business continues good. All import or ders for Canada plate are now about complete. Fall supplies are in steady demand. In shelf and heavy hardware and metals prices remain firm. Demand for galvanized iron exceeds supply and roofing tin is in fair request. The iron and lead manufacturers are meeting in Montreal, discussing the situation. Local wholesale houses do not anticipate any immediate change in prices as a result. Payments show some improvement.

CHICAGO, Oct. 5.—Wheat—Big receipts, light exports and realizing by the most pronuced bulls on change with rather indifferent cables have temporarily at least knocked out the little bocom that looked so fresh and vigorous yesterday afternoon. Nearly a thousand cars in the Northwest and private advices that the movement is likely to continue into November make timid bulls of the majority of holders. They buy on breaks, but experience has taught them that it is best to take profits on rallies, for the flood of receipts holds market down abroad as well as here.
