### LAMBTON FARMS WANTED

A second list of farms for sale in Lambton County will be published by the Lambton Publicity Association on August 18th. Farms that appeared on the first list will re-appear in the second if request be sent the secretary before that date and price of farm stated. These lists will have wide circulation at Canadian National Exposition, Toronto, and other places of concourse.

Those who have farms for sale will confer a favor by sending a full description, telephone and post office address of owner to the undersigned, in order that the parties inquiring may be brought into personal touch with those who have land to sell.

There will be no charge or commission of any kind, and the parties furnishing descriptions are not bound in any way. Give details as to situation, acreage, roads, improvements, soil, distance from churches, schools, towns, railways, telephone service, etc., etc., that would be of interest to prospective purchasers at a distance. When sale of farm takes place, please notify the secretary so it may be struck off the list. Parties offering large farms, suitable for fruit growing, would do well to offer them in lots of 15 to 50 acres. The Publicity Association exists for the purpose of advertising Lambton County, and for no other purpose. It consists largely of the members of the county council, and the expense of the advertising is paid by the county.

The information is wanted for the purpose of placing a list of farms in the hands of those who wish to buy, and who have written in answer to general advertisements and descriptions of Lambton which have been published in various newspapers in Canada, the United States and Britain. The description may be sent by mail to R. S. Stretton, Petrolia, secretary of the association, not later than Aug. 18th. jyz28-2t

### Bryson—Roane.

The home of Mr. and Mrs. T. J. Roane, twelfth line of Brooke, was the scene of a very pretty wedding on Wednesday, July 19th, when their elder daughter, Flora, was united in marriage to Mr. John Bryson, of Plympton, the Rev. R. C. Burton officiating. Promptly at five o'clock the groom took his place under a floral arch, while the wedding march was played by Miss Eva Watson. The bride, who entered the parlor leaning on the arm of her father, looked winsome in a gown of allover lace over ivory silk, carrying a bouquet of cream bridal roses. Both bride and groom were unattended. After congratulations the guests, numbering over fifty, retired to the dining room, where a dainty wedding dinner was served. The bride was the recipient of many beautiful and costly presents, showing the high esteem in which she is held. Guests were present from Hamilton, Teeswater, Saskatoon, Brigidon and Watford. Mr. and Mrs. Bryson will reside in Plympton.

### Most Canadians Have Catarrh

Our Changeable Climate is Responsible.

Where the atmosphere is damp, with sudden changes in temperature, almost everybody has Catarrh, in some form or other. The ordinary cold in the head inflames and weakens the membranes lining the nose and throat, and starts a discharge. The next cold is more easily caught, and soon the patient is never quite free of it.

As Catarrh develops the discharge increases—drops into the throat, especially at night—and takes on an offensive odor. Besides being exceedingly disagreeable, there is great danger of the disease extending to the lungs, stomach, or bowels.

Though it is very difficult to cure, Father Morrissey devised a combined internal and external treatment that has cured thousands. The Tablets tone up and invigorate the system, and Nature in throwing off the disease, while the saline, applied up the nostrils, clears out the discharge and heals the membranes. Combined treatment, 50c at your dealer's, or from Father Morrissey Medicine Co., Ltd., Montreal, Que.

Recommended and for sale by the Taylor Drug Co., Special Agents, Watford.
