Bridgetown Defeated Wolfville at Bridgetown Last Thursday Afternoon

Bridgetown defeated Wolfville on Thursday, for the second time this season, in a well contested game at the home team put up the useful score of 87, the chief contributors being C. Ollerhead 26, W. Donat 23, and C. S. Bothamley 17. Wolfville replied with 58, Saunders scoring 11 and Mason 10. Unfortunately time did not permit of two innings each as on their second attempt, Bridgetown was dismissed for 44 and Wolfville had obtained 58 for the loss of 8 wickets. At the close of play, therefore, Wolfville needed 14 runs to win and had two wickets in hand. The game was therefore decided on the first innings.

WEDDING ANNIVERSARY

The many friends of Mr. and Mrs. Aubrey Baltzer met at their home at Grandville Centre and gave him a very pleasant surprise on Tuesday evening, July 19th, it being the fifteenth anniversary of their marriage. The opening remarks were given by Miss Annie Roney, which were responded to in a very pleasant manner, by Mr. and Mrs. Baltzer, in which they thanked their friends most heartily for their kindness, not only for the pleasant surprise they had tendered them, but also for the many useful gifts received and the kindness shown them during the recent loss of their house by fire. At the close of an evening spent pleasantly in games and social amusements, refreshments were served, which were thoroughly enjoyed by all. At a late hour the friends dispersed to their homes, leaving Mr. and Mrs. Baltzer many hearty good wishes for their future married life.

FIRE AT DALHOUSIE

Mr. Myers Gibson's house at Dalhousie, one of the best residences in that village, was totally destroyed by fire Tuesday afternoon, only a small portion of the contents being saved. Besides the furniture, Mr. Myers lost quite a large amount of cash and clothing. It is thought that the fire was caused by a spark on the roof from the flue. The loss is estimated at \$5,000. Insurance \$1,000.

"THE ROAD OF AMBITION"

A not unusual drama of the self-made man, who wins out and triumphs over all obstacles, is this screen production of Elaine Sterne's story made by Selznick, with Conway Tearle as star. The story opens in the steel plant of the Bethel Steel Works and introduces Tearle as a young, two-faced ambitious son of a toll. As the drama unfolds, plenty of opportunity is afforded Tearle to

PICNIC AT MARGARETVILLE

The Valley Life Underwriters' Association Had an Enjoyable Outing.

(Middleton Outlook)

The Valley Life Underwriters' Association held their quarterly meeting and picnic Tuesday at Margaretville, one of the most beautiful spots on the bay shore. The Underwriters accompanied by their wives and lady friends, motored from Wolfville, Kentville, Melvern Square, Canning, Middleton, Bridgetown, and other parts of the Valley, and congregated at the picturesque grounds of the Ocean Spray house. This is one of the most picturesque spots, the background being a fine grove of trees and in front the ocean, beating in great waves of spray on the shore. On one side is a lovely natural ravine across which on a high elevation gleams the tents of the "Taxis Boys" camp of Middleton.

A sumptuous dinner, the efforts in the culinary art, was partaken of and heartily enjoyed, after which a sports were in order, including a closely contested baseball game, the score of which is rather undecided. After the game, a visit was made to the ice cream parlors, which are famed for their very delicious banana royals and other delicacies. A sing was held there, after which the party adjourned to the grove, where supper was partaken of, followed by speeches. Mr. H. E. Woodman, of Wolfville, President of the Life Underwriters, made a few introductory remarks, stating his pleasure at being present on this auspicious occasion, and in meeting the representatives of the different companies, who he then called upon one by one, although not an Underwriter, was an honored guest, Rev. D. G. Ross, who gave one of his characteristic pleasing speeches, evincing his keen pleasure at being one of the happy gathering, and trusted that the invitation would be repeated on some future occasion. He was followed by Mr. O. P. Goucher, of Middleton, who stated that the enjoyment of this picnic was greatly enhanced by the presence of the Underwriters' wives, this being the first assembly of this kind which their presence had graced. He also expressed his pleasure at the evidences of good-fellowship and unity existing in the Underwriters Association. The singing of the National Anthem brought to a close one of the most delightful outings of the season, the drive home through Victoria Vale, Spa Springs, Kingston, Melvern Square, and other parts of our picturesque Valley, being the fitting ending of "A Perfect Day."

GATES UNVEILED AT ROUND HILL

Probably the Most Important Event That Ever Took Place in That Village

One of the most important events in the history of Annapolis County took place in Round Hill last Wednesday afternoon when a memorial gate and two large granite pillars were unveiled in honor of the fallen heroes from that village. The weather was beautiful and a large crowd of patriotic citizens gathered early in the afternoon to take part in this important event. The Annapolis Royal band, under the direction of Bandmaster Yates, furnished very appropriate music. Col. LeCain performed the duties of chairman and after a selection by the band, outlined the programme. Mrs. Saunders, on behalf of the Women's Institute, presented the gates and memorial posts, which were especially veiled with Union Jacks. Col. LeCain made a suitable reply. The gates were opened and the band, the speakers and the general public took their positions in the beautiful entrance to the cemetery known as the "long drive". In addition to the programme, which was published in our last issue, short addresses were given by Rev. Clyde W. Robbins, pastor of the Bridgetown Baptist Church, and Sgt.-Major August Spurr, formerly of Deep Brook, but now proprietor of the Myrtle House, Digby. There were several auto parties present from Annapolis, and a few from Bridgetown. The following is reprinted from the Memorial Posts:

DISPLAY OF MISSES' KNEES

Cobalt, Ont., Aug. 8—Recent appearances of the rolled stockings have been met by bitter comment by local clergymen. At present the girls of the northern towns including Cobalt, Haliburton, New Liskeard and Englehart, are learning the habit rapidly, and at every dance hall are visible rows of dimpled knees. The frequency of the display has been a growing success of comment. Rev. Father O'Gorman, of St. Patrick's Church, has for two years refused Communion to young women who patronized too conspicuously the extremes of fashion and, regarding the latest decree, said: "It is ridiculous that any young woman should wear roll stockings after she has reached the age of ten years."

Charles M. Hatfield Gets This Amount From The Agricultural Society. "Rain-maker" Charles M. Hatfield has won his bet with the Medicine Hat United Agricultural Association, and he will be paid \$8,000 for rain which has fallen in the district during the past three months. Hatfield was to receive \$5,000 if four inches of rain fell between May 1st and July 1st. Up to Saturday last four and one-quarter inches had been recorded, and so Hatfield draws the maximum payment, which will be made him at the end of the month. The Association will hold a meeting in August to determine whether or

SAFETY FIRST

(Wolfville Acadian)

The town of Bridgetown is making arrangements to properly regulate automobile traffic on its streets. The "silent policeman" has been adopted and notice given that violation of law will be properly dealt with. In these times when motor vehicles are so numerous it is necessary that the strictest precautions should be taken to avoid accidents. While most drivers are careful there are a great many who are reckless and regardless of the rules of the road. Public safety demands that these should be restrained and a very careful oversight of the traffic kept.

WE CAN'T PRAISE TANLAC TOO MUCH

Halifax Man Says it Has Entirely Relieved His Wife of Her Indigestion

"Tanlac restored my wife's health after she had suffered for ten years, and we cannot say too much in praise of it," said John Bezanque, of 33 John St., Halifax, N. S.

"Her main trouble," he continued, "was indigestion. Her appetite was very poor and much of the time she could not retain anything she ate. Gas formed on her stomach so bad she could hardly get her breath and caused sharp pains around her heart which kept her in misery for hours. She ate every day she had dull headaches, she was very nervous and restless and would roll and toss for hours at night and wake up in the morning as tired as when she went to bed. She lost weight and went down in health continually. "She has taken six bottles of Tanlac now and her health is completely restored. Her appetite is splendidly restored. Her appetite is steady and her food seems to agree with her perfectly. She is gaining in weight steadily and feels so much stronger that she does her household work with ease. Her nerves are calm and she sleeps well at night, and is so much improved that her friends are constantly speaking of how much better she looks. Tanlac is sold in Bridgetown by S. N. Weare, and by leading druggists everywhere.

CANADIAN FISH U. S. MARKETS

Canada Has No Adequate National Fishing Policy, Declares A. H. Brittain

Montreal, Aug. 4—If the United States adopts the new Fordney tariff bill it will practically prohibit the entrance of most varieties of Canadian fish into the United States markets, declared A. H. Brittain, of Montreal, past president of the Canadian Fisheries Association, and vice-president and business manager of the Maritime Fish Corporation, one of the largest fishing concerns in Canada. In an interview with the Canadian Press to-day, Lobsters will still be on the free list. "Adoption of the fish clauses of the Fordney bill will undoubtedly lead to a strong agitation among Canadian fishermen to induce the Canadian government to abrogate the privileges United States fishing vessels now enjoy in Canadian ports," Mr. Brittain added. "This is an important matter for the Boston and Gloucester interests employing sailing vessels in the fisheries, as they rely largely on our maritime ports for crews and bait."

"Canada has in close proximity to its Atlantic seaboard the finest fishing grounds in the world, and it is the duty of the Canadian government to conserve its strategic position in respect to these fisheries for the benefit of Canadian fishermen and the Canadian consumer. With the growth of our population we will need this important food asset."

The convention, however, will be followed by a grand "pilgrimage" to the historic grounds at Grand Pre, where a special program will be carried out. Among the speakers will be Mr. Justice Arsenault, of the Supreme Court of Prince Edward Island, former premier of that province.
