**TOURIST TRAVEL IS AHEAD OF
LAST YEAR**

Digby Camping Grounds and Other
Entertainment Facilities Well
Patronized.

Digby.—The tourist travel in Digby
is ahead of last year at this date.
The number of American cars far ex-
ceeds that of any previous year and
every day many new cars make their
appearance. The camping grounds in
Digby are being well patronized, and
every effort is being made to make
the visitors feel at home. The tourist
boats are doing a good business, and
fishing parties are taken out daily.

With the exceptionally fine
weather of the past few days, there
have been scores of family excursions
to the beauty spots within a
few miles of the town and on the
mountain sides and beaches. All
the local garages report good busi-
ness, and it might be interesting
to state that the rush was so heavy
Tuesday morning that one service
station handled thirty big cars in
thirty minutes, which is undoubtedly
a record that is hard to beat.
