Ontario.

A Combination that
Will Keep
Bacteria
and Dirt from
Your Milk.

The STERILAC MILK PAIL and our RED CROSS FILTER CLOTH make a combination that will do more to purify your milk than other articles of this kind.

The dirt shelf of the STERILAC is composed of a piece of Filter Cloth folded, and gathers all the loose dirt, and the milk strainer which is composed of one thickness of Filter Cloth collects and HOLDS all Bacteria till the milking is completed.

The cloth can then easily be removed and new pieces inserted for next day's milking.

Prices of STERILAC PAIL:

Seamless, extra heavy construction \$3.00 each
Standard, extra heavy construction, \$2.50 each

Special prices on lots of 6 or more, also on our RED CROSS FILTER CLOTH. Write for them.
