Wloman's Board.

"WHATSOEVER HE SAITH UNTO YOU DO IT."

W. B. M.

DEAR FRIENDS,—Those of you who attended the annual meeting in June, will remember that it was decided to request all the Auxiliaries and Mission Bands connected with the Board, to hold a "Thanksgiving Service" at some time during "Thanksgiving week," at which service a "Thankoffering" should be made as a token of our gratitude for the many blessings of the past year. The money thus received is to be applied towards the reduction of the debt of the Canada Congrega- J tional Missionary Society.

As a Board we have great cause for thankfulness that one from our very midst has been permitted to give herself to Foreign Missionary work in Africa, and that it is our privilege to undertake her support; also, that our worker in India | s has been so abundantly prospered, and last, but by no means least, that the receipts of the C. C. W. B. M. were last year over \$400 larger than during the previous twelve months. In supporting our two Foreign Missionaries we are now pledged to a yearly expense of \$1,020. After \$ paying the \$130 granted to the C. C. M. S., and all designated sums, including Miss Lyman's salary to September, there remains a balance of \$130 to be applied to Foreign work. (Those who were present at the annual meeting heard a much larger balance reported, but, in arranging the Annual Reports for printing, it was discovered that this shows a gratifying increase in the receipts of age, and wait for further developments." the Board.) The Lord has greatly honored our work in giving us two lady missionaries from the membership of the Canadian Congregational Truly we have cause to give thanks, and to labor with increased zeal and energy, that we may fulfil our part. Consecrating our purses as well as ourselves to the Master's service, we shall ' not find it difficult to raise this amount for the Foreign work, as well as a goodly sum for Home; Missions. The Home Missionary work is dear to our hearts. We grieve over its embarrassments, and rejoice in every success. Let us show our interest by arranging for an enthusiastic "Thankoffering service," and generously respond to this; special appeal for funds.

Immediately after the meeting, the money received should be sent by registered letter or money -- order (through the Treasurer of your Branch, if belonging to an organized Branch), to the Treasurer of the C. C. W. B. M., Mrs. Charles T. Williams, 26 Chomedey Street, Montreal, P. Q., who will forward the whole amount as a special dona-To all who are interested in the work of the C. C tion from the Auxiliaries and Mission Bands of the C. C. W. B. M.
