The stability of many educational institutions has been severely tested during the recent period of financial depression, and those that have weathered the storm have done so on account of their exceptional merits. During this season of commercial disaster the New England Conservatory of Music has had an attendance but little, if any, below the normal. The majority of its students are there to prepare themselves for their life's work, and the recent valuable additions to the course have served to stimulate ambition, and to give further desirable qualifications to those who are now ready to teach. There is to be a special summer term this year, of unusual value to music teachers.

LONDON, the poet, says in one of his sweet little sonnets: "We are what suns, and winds, and waters make us," but unfortunately suns will scorch, winds will roughen, and waters will not remove the injurious effects of the other two upon the lovely complexion of the fairer sex. For ages chemists have tried to distill from herbs and minerals an elixir of beauty but they have failed, and it was left to modern times to find a cosmetic which should remove every speck and blemish, and leave a soft and pearly loveliness upon the roughest skin. Gouaud's Oriental Cream does this, and while so perfectly harmless that spring water is not more so, it has a magic influence upon the complexion which cannot be over estimated or believed until realized. To our lady readers we simply say, would you be as lovely as kindly Nature intended? Then use the Oriental Cream.

Also from the noted star actress:

PHILADELPHIA, Nov. 22, 1883.

"I cordially recommend Dr. T. Felix Gouaud's 'Oriental Cream Magical Beautifier,' as it is perfectly harmless."

Sincerely,

LILLIE HINTON.

How to get a "Sunlight" Picture.

Send 25 "Sunlight" Soap wrappers (wrapper bearing the words "Why Does a Woman Look Old Sooner Than a Man") to Lover Bros., 43 Scott St., Toronto, and you will receive by post a pretty picture, free from advertising and well worth framing. This is an easy way to decorate your home. The soap is the best in the market and it will only cost 1c. postage to send in the wrappers, if you leave the ends open. Write your address carefully.

LOSS OF POWER

and vital force follow loss of flesh, or emaciation. They come from impoverished blood. Dr. Pierce's Golden Medical Discovery enriches the blood, stops the waste of strength and tissue, and builds up healthy flesh. Nasty Cod liver oils add fat but not wholesome flesh. Thin, pale, puny and sorrowful children are made plump, rosy and robust by the "Discovery." They like it, too.

In recovering from "Grippe," or in convalescence from pneumonia, fevers, or other wasting diseases, it speedily and surely invigorates and builds up the whole system. As an appetizing, restorative tonic, it sets at work all the processes of digestion and nutrition, rouses every organ into natural action, and brings back health and strength.

If it doesn't benefit or cure, in every case, you have your money back.

For a perfect and permanent cure of Catarrh, take Dr. Sago's Catarrh Remedy.
