SAMPLE COPIES.—Some copies of this journal may reach many who are not yet regularly enrolled on our subscription list. To all and every one of these, we would say, do not labor under the impression that, because you receive one copy free of charge, it is coming to you, regularly, upon this same basis. If you want the paper order it at once, by sending the cash. You may delay, and miss certain copies that would be invaluable to you. \$1.00 a year is only about two cents a week.
