FOR YOUNG LADIES.

PATRON.

VISITOR.

The Right Rev. the Lord Bishop of Nova Scotia.

PRINCIPAL.

The Rev. John Padfield.

The next Term commences April 21. The course of instruction is the same as that of the best Schools in England, and is founded upon the University Examinations for Women. Pupils are prepared to pass the Local Examinations of King's College, Windsor. Within the last two years, thirteen pupils have passed these Examinations, three of them gaining the title of "Associate of Arts."

A few students can be received, who, having finished their general education, wish to devote themselves to Music, Languages, or Art. Arrangements are made whereby they can give the whole of their time to these special subjects.

There is a Preparatory Department for Young Pupils. The Musical Department is under the care of a lady from the Royal Academy of Music, London. The French Governness is a native of Paris and has the Diploma of the French Academy. The Head English Governness, besides having passed the University of Cambridge Examinations for Women, has also a certificate from the South Kensington School of Art.

A large reduction is made for the daughters of clergymen, and where two or more are sent at the same time from one family.

For Terms, &c., apply to the Principal.

TO ADVERTISERS.

GEO. P. R. WELL & CO'S SELECT LIST OF LOCAL NEWSPAPERS.

An advertiser who spends upwards of \$5,000 a year, and who invests less than \$30 of it in this List, writes: "Your Select Local List paid me better last year THAN ALL THE OTHER ADVERTISING I DID."

IT IS NOT A CO-OPERATIVE LIST. IT IS NOT A CHEAP LIST. IT IS AN HONEST LIST.

The catalogue states exactly what the papers are. When the names of a paper is printed in FULL FACE TYPE it is in every instance the BEST with a price in CAPITALS. It is the ONLY paper in the place. The list gives the population of every town and the circulation of every paper.

The rates charged for advertising are barely one-tenth the publishers' schedule. The price for single States ranges from \$4 to \$80. The price for one inch one month in the entire list is \$825. The regular rate of the papers for the same space and time are \$2,980 to \$4. The list includes 932 newspapers of which 187 are issued DAILY and 705 WEEKLY. They are located in 788 different cities and towns, of which 26 are State Capitals, 363 places of over 5,000 population, and 408 Country Seats. For copy of list and other information address
