"Oh, where did you have those lovely pictures
taken—in Paris?"

"Oh, no! at PERKINS' STUDIO, 293 Yonge Street."
"Yes, I believe PERKINS does produce about the
best work in Toronto."

"Father, how do you spell 'philosopher'?"

"Wid a large F, of coorse—how else? I wish yez wouldn't be botherin' me wid
things yez ought to know yerself."

The above is a cut of the "WORLD" TYPEWRITER.
Many people are prejudiced against it because it
sells for the low price of \$10. That is foolish. It is
a perfect, practical, durable typewriter. It never
gets out of order. It requires no instruction.
Ministers, lawyers, and business men find it of great
advantage. Call at 7 Adelaide St. East and see it,
or send for circular, mentioning this paper.
