#### Still the Forest is the Best Medical School!!

That predisposition which exposes the human frame to the infection and virulence of all diseases, proceeds directly or indirectly from a disordered state of the System, caused by Impure Blood, Bilious and Morbid condition of the Stomach and Bowels.

### DR. HALSEY'S GUM-COATED FOREST PILLS.

(A Sarsaparilla preparation of unexampled efficacy.)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating, or weakening; can be taken at any time, without hindrance from business, change of diet, or danger of taking cold. They neither have the taste nor the smell of predicing, and are five times neverallicitual in the gree of

medicine, and are five times more effectual in the cure of discuses than any Pills in use.

But a short time has clapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids, given over by their Physicians as incumble, have found relief, and been restored to sound and vigorous health from their use.

#### TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasion more sickness and deaths in families, than all other causes of disease put together. Sometimes whole families are taken down by mulig-nant tovers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing

## DEATH OF HIS OWN CHILDREN!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets bildous, the neglect of which is sure to Amost every person gets binous, the neglect of which is sure to bring on some dangerons disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Guin-coated Forest Pills, is sufficient to keep a whole family from bilious attacks and sickness, from six mouths to a year. A single dose, from 1 to 3 of these mild and excellent Pills, for a child; from 3 to 4 for an adult; and from 5 to 6, for a grown person, earry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders. other disorder

# SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gaul-duets, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant—mind clear; producing permanent good health.

# NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained, by caring thousands of disease.

The public are now most respectfully notified, that Dr. Halsey's genuine Pills will henceforth be coated with

# GUM ARABIC.

An article which, in every respect, supersedes Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years. For the invention of which, Dr. Halsey hus been awarded the only patent ever granted on Pills by the Government of the United States of America.

The Gum-coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-coated Pills. The Gum-coeted Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite remain the saine, retaining an inter virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauscating taste of Medicine. In order to avoid all impositions, and to obtain Dr. Halsey's true and genuine Pills, see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be sure of a medicine which does not commin that larking poison, Calomel or Mercury, pur-

chase HALSEY'S GUM-COATED FOREST PILLS,

and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated, as well as the best compound Sarsaparillu Extract in the world, for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PHLLS as soon as unfavorable symptoms are half you would have a Medicine which does not leave the bow-

els costive, but gives strength instead of weakness, procure HALSEY'S PILLS, and avoid Salts and Castor Oil, and all

common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harm-

loss, and well adapted to the peculiar delicacy of your constitutions. Procure them. Travellers and Mariners, before undertaking long voyages, provide yourself with Dr. HALSEY'S PILLS, as a safeguard

against sickness.
