The most unpleasant vocation in the world. Provocation.

Dryden, on the night that one of his plays was damned, was met by a coxcomb acquaintance, who said: 'Dryden my boy, on my soul I feel for you. Can there be snything more trying to a person's feelings than a damned play?' Yes,' replied the irritated poet, 'a damned fool!"

A rather green village editor up country was desirous of gaining the good graces of the new minister; and describing his first entrance into the church, wrote thus: 'He is a most venerable sample of antiquity.' But to his astonishment and the amszement of the inhabitants, it came out the next morning in type, 'He is a most venerable sample of iniquity.'

SOMETHING THE WHOLE COMMUNITY SHOULD KNOW —The traveler, furnished with BRISTOL'S SUGAR COATED PILLS, is armed againt those diseases of the stomach, liver, and bowels, common to all climates. The first thing to be done, in case of a bi-lious attack, is to empty the bowels. BRISTOL'S SUGAR COATED PILLS do this rapidly, but not rudely. As they cleanse they soothe and heal, There is an emollient principle in them that prevents the irritation which thorough purgation would otherwise create. None of the sharp, cutting spasmodic pains, which accompany the action of mineral cathartics, are ever experienced during their operation. They have no drawback; either immediate or contingent, and leave every organ they influence in a healthy state. For dyspepsia, piles, liver complaint, sick headache, suppression, vertigo, colic, and heart-burn, they are the one thing needful, and no other known medicine can supply their place. -They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

the Price of his entire STOCK FIFTEEN PER CENT. THE Subscriber, in returning thanks to his Friends and Customers for the liberal patronage extended to him during the last 15 years, wishes to inform them of the extension of his SHOW ROOMS and STOOK during the past winter, in order to supply the increasing demands of his business, and especially since his removal to the new buildings, notwithstanding the reports that some of his rivals in trade have endeavored to circulate of his having been sold out and left the place. These statements have been made to many of my customers with the hope that they would take no further trouble in finding out my new place of business. These and and the result was improvement of health, renewed finding out my new place of business. These and similar contemptible statements, which I consider too low to take further notice of, have induced me to make a few remarks. First, I would say that I am not sold out, neither have I left the city, but can be found any time during business hours at my new warercoms, Nos. 7, 9, and 11 ST. JOSEPH STREET, second door from M'GILL STREET. I call on any party in Cadada or the United States, from whom I have purchased goods since my commencement in business, to say it I owe them one dollar after due or ever had an extenual or renewal during that time .-If those parties would only devote their time and attention to business as I have done, they would not have to resort to such contemptible means of getting trade. Seeing the desire that exists with a portion of the trade to run me off the track, I am now of the trace to the mergency, and determined to reduce the prices of my goods at least FIFTEEN PER CENT., which the advantage of the largest and best adapted premises, together with getting up my stock entirely for cash during the past dull winter, will justify me in doing, having given up importing Chairs and Furniture from the States for the last two years, and engaged largely in the manufacture of Cane and Wood Seat Chairs and Furniture of every description, and made the Chair business a very important branch of my trade, having now on hand over 11,000 Cane and Wood Seat Chairs, of 32 different patterns, many of which are entirely new styles. WONDERFUL!

Devins & Bolton, Druggists, next the Court-house, Montreal, have received the following letter from Mrs. M. J. Nolin Heroux, confirmed by her husband, and E. Roy, merchant of St. Phillips, Laprairie, of a wonderful cure by BRISTOL'S SARSAPARILLA:
Sir.—The present is to certify that I, M. J. Nolin, aged 40 years of age, wife of M. Heroux, N.P., have

suffered for a year with violent palpitation of the heart, sudden chilis, extreme heat and cold in various parts of the body, attended with great pain, particularly in the arms; my pulse was very variable—very slow or quick; frequently a tendency to faint, with a sense of suffocation; sleep troubled; irritable, and very low spirits. I tried several medical men without deriving any benefit, and they all concluded by giving me up In July last I saw in the papers BRISTOL'S SARSAPARILLA, 'Blood is Life.' I purchased five bottles at your store, which afforded me relief from the first dose. A substance resembling very fine white sand came from my legs in quantity, after which I recovered my nearly lost faculties, and was free from pains, palpitations, and chills, and perfectly cured of my affliction in ten weeks. I am convinced of the superiority of this remedy over all others, and I feel it my duty to recommend it to all troubled with similar afflictions. (Signed)

'It is easy to get certificates for Patent Medicines,' say people. Granted; but is it easy to get certificates from persons of undoubted respectability, and who are known to the community? C'early not, unless the medicine is what it professes to be, which is so rarely the case, that certificates are generally from persons unknown to fame. But in the case of Hoofland's German Bitters, the most respectable classes of society freely testify to their superlative merits. Members of Congress, Judges, Clergymen, Merchants, unhesitatingly acknowledge its curative properties. Read the following from the Hon. Thos. B. Florence, well known as an active and able Member of Congress:

Washington, Jan. 1st, 1864. Gentlemen, --Having stated it verbally to you, have no hesitation, in writing the fact, that I experienced marked benefit from your Dr. Hoofland's German Bitters. During a long and tedious session energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.

How VERY ASTONISHING .- That so many people annually die with consumption. Do you know that a slight cold is often the foundation of this insiduous disease, and that a single bottle of Down's Elixir will cure a dozen slight colds. Delay is death! Procrastination is more than a thief, it is a murderer. The worst cases may be cured by the timely use of the Elixir. Keep a bottle on hand for family use.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortfable? These symptoms are often the prolude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors-purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not re-lieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Comploints, Indigestion, Derongement of the Liver, Costiveness, Constitution, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole class of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has raiely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertious.

"THE LAMP."

New and Improved Series, in Weekly Numbers, price ld. In Monthly parts, price 6d. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prejate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased. and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributious from his pen which are to be found in our columns. We are authorized to say that "His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of his Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got up Protestant publications, and ask why Catholics cannot have something as good in noint of material, ability, illustrations, &c. Nothing s more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realised. If every priest would speak of the under taking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor-pulications which can hardly be called Protestant, because they have no religion, and often openly teach immorality—the success of the Catholic Magazine would be assured. It is their immense virculation, and the support they obtain from their respepective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periocals in a similar manner, it is impossible for them to attain supe-

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribunc just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things. "... I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y."

NEW BEDFORD, Mass., Nov. 24, 1863. Dear Sir : - I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite

and strength have also greatly improved by the use

of the Plantation Bitters.—Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq, of 159 West 14th Street, N.Y, says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, azd has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles. Sold by principal dealers throughout the habitable
