## SORTING SEASON

FALL 1892.

Our Travellers are now on their routes with full ranges of samples.

#### Stock Complete in all Departments.

#### Mercantile Summary.

THE season of one of British Columbia's most important industries—that of salmon canning-is at an end, and the News-Advertiser does not think that those who have so large an amount of capital invested in it will consider that it has been a satisfactory one.

A LEADING dry goods man of Prescott, D. E. Carman, is seeking indulgence from creditors in the form of a 60 per cent. compromise-He owes \$33,000, \$23,000 of which is due to a large Glasgow dry goods house, who hold a chattel mortgage, which will likely have to be released before other creditors grant the composition desired.

THE Montreal firm of J. L. Barre & Co., producers of Canadian wines, have been served with a demand of assignment, owing to a dispute arising out of the request for a renewal of a small note. Mr. Barrie is a very heavy operator in real estate, and has claimed a surplus within only a few months of over \$150,000.

THE retail shoe firm of Noxon & Rockwell at Kingston are in bad shape. Noxon is away, and at a meeting of creditors held the other day, a statement submitted showed liabilities of \$4,600, and assets of \$600. Mrs. Noxon, however, offered to pay \$1,400 cash, and a note of \$600 for the estate, which offer will likely be accepted.—John O'Malley, a custom shoemaker at Ottawa, has also failed, owing \$3,100. -Bark & Tait, a small contracting firm in Montreal, are in embarrassment, one of the partners having absconded with all the loose cash. Mr. Bark is endeavoring to effect some arrangement by which the business may be continued. Liabilities are about \$5,000.
