THE Dominion Iron and Steel Company have now 700 men working in their mine at Belle Island, and it is expected that by the end of the week 1,000 men will be there at work.—Chronicle.

THE Dominion Government steamer, "Petrel," has arrived at Amherstburg, Ont., with a quantity of fish, and 155 gill nets, seized in Canadian waters from American fishermen.

THE Allan Steamboat Co. have decided to convert the "Sarmatian" and the "Buenos Ayren" into passenger steamers, to run direct, next year, between Montreal and Glasgow, with special reference to the Exposition traffic.

MONTREAL streets were last Saturday evening plunged in darkness, owing to the sudden carrying away of a portion of the big dam belonging to the Chambly Power Co., at Chambly. The damage, which will cost some \$25,000 to repair, was caused by the pressure of water on the gates, gradually undermining the concrete.

Six carloads of peas, the first of the winter port freight to arrive by the Intercolonial Railway, for shipment to the Old Country, reached St. John on Saturday last. It is stated that there are from 100 to 150 carloads of wheat on the way. In all it is expected about 600,000 bushels will have reached that port by to-day.

DURING the last two months, the Granby smelter, at Grand Forks, has shipped \$105,000 worth of copper matte, although during six weeks of that period the smelter was only operating one stack of a capacity of 300 tons a day. It is now treating 18,000 tons a month of copper ore, and is already beginning to draw ore from American camps.

IN the Practice Court, at Montreal, Joseph Ward filed an opposition to the projected sale of the property of the Cold Storage and Freezing Co. at any rate until after January 1st, so that more details could be gathered; but his motion was dismissed, with costs, as well as his petition to have his legal representative appointed inspector of the insolvent estate.

ON Thursday, the 15th inst., the firm of Robertson Bros., wholesale confectioners, Toronto, was dissolved, Mr. Alexander Robertson retiring. The business will be continued by the remaining partner, Thomas Robertson. This factory has had a career of between thirty and forty years, for it was during or immediately after, the American Civil War, that the brothers Robertson began in a modest way on Yonge street. The progress of the firm is attested by the extent of their present premises on Queen street East.
